ON PETITION

This is in response to the petition filed July 1, 2016, seeking reconsideration of the decision mailed June 23, 2016, which decision **DENIED** a petition under 37 CFR 1.181 requesting that the Director exercise her supervisory authority and overturn the decision of the Director of Technology Center 2100 (Technology Center Director), which decision in turn refused to reassign the above-identified application to a new examiner.

Petitioner's request to reassign the above-identified application to a new examiner was considered by the United States Patent and Trademark Office (USPTO), and was denied in the decision of June 23, 2016.
