

Alford W. Kindred

Supervisory Patent Examiner, Technology Center 2100

UNITED STATES PATENT AND TRADEMARK OFFICE

U.S. DEPARTMENT OF COMMERCE

Alford W. Kindred is a Supervisory Patent Examiner in Technology Center 2100 at the United States Patent and Trademark Office (USPTO) and leads art unit 2156 that examine applications in Database.

Mr. Kindred joined the USPTO as a patent examiner after managing USPTO's service desk as a contractor. He earned his Master of Arts in Computer Resources and Information Systems from Webster University in 1997 and a Bachelor of Science in Electrical Engineering Technology from Norfolk State University in 1989. He examined applications in the fields of graphics, document processing, computer architecture, and database.

In 2007, Mr. Kindred was selected as Supervisory Patent Examiner. He served on a number of work assignments as a supervisor including a detail to the Office of the Chief Information Officer as Acting Director of the Office of Information Management Services. He recently served as the Regional Manager for the Midwest Regional U.S. Patent and Trademark Office.

Mr. Kindred received several Leadership in Action Awards for demonstrating leadership and mentoring best practices.
