

Patent Public Advisory Committee Quarterly Meeting

International Update

Office of International Patent Cooperation

Mark R. Powell

Deputy Commissioner for International Patent
Cooperation

February 12, 2014

Mission Statement

“This office creates, manages, and negotiates the terms of any international activity or implementation which directly impacts examination, examination systems, and international stakeholders including foreign intellectual property offices, filers, third parties, and patent information users.”

Next Steps

- Consolidation of existing divisions under the new organization
- Fulfill resource needs in new and under-staffed divisions
- Full steam ahead!
 - Reinforce mission
 - Align goals
 - Execute plans
