Owner Information

☐ Check this box to modify the owner name that appears below if the name does not identify the current owner of the registration.
Note: If this change relates to a change in the correspondence address or e-mail, please use the "Correspondence Information" section of this form.

WARNING: If the entity or person whose name appears immediately above is not the current owner of the registration, you must change the owner information prior to transmission of this form. Please explain any change you make in the "Miscellaneous Statement" field to avoid the possibility of an Office action being issued.

1. Transfer of Mark

If there has been a transfer of ownership, you should record this transfer with the Assignment Recordation Branch. This can be done through the USPTO website at http://etas.uspto.gov. In the alternative, you may submit evidence of the change in ownership without recording it, by either submitting a copy of the document transferring ownership, or an explanation of the transfer, supported by an affidavit or declaration under 37 C.F.R. §2.20. However, the USPTO records will not be updated and the notice of acceptance and renewal will not issue in the correct owner name unless you record the transfer with the Assignment Recordation Branch.

2. Mistake in owner name

If there is a minor error in the owner's name, such as punctuation, spacing, or adding or removing "The," this mistake may be corrected on the form with an explanation. Note that other errors in the owner's name may be corrected, but require a separately-filed Section 7 Request for Correction. NOTE: You may not add a different owner or designate another legal entity as the owner. For examples of correctable errors, see IMPE § 1201.02(c).

To enter the change in the owner name:
(1) check the box above (top) that appears to the left of the words "Check this box to modify the owner name that appears below if the name does not identify the current owner of the registration."
(2) delete the name that appears immediately above;
(3) type in the name of the current owner of the application; and
(4) explain why you are changing the owner in the "Miscellaneous Statement" field.

Goods/Services/Collective Membership Organization Information

WARNING: Registration Subject to Cancellation for Fraudulent Statements
You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of use on all goods/services, or to indicate membership in the collective organization for which you claim use in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.

Enter information for the Class

* International Class: 007

☐ This filing does not cover this specific class. This entire class is to be permanently deleted from the registration. WARNING: This class will be permanently deleted from the registration and may NOT be reinserted.

☐ Deleted Goods/Services: This filing does NOT cover the following goods/services for this specific class listed in the registration, and these goods/services are to be permanently deleted (removed) from the registration: WARNING: Any item listed below will be permanently deleted from the registration at that point may NOT be reinserted.

Remaining Goods/Services: The mark is in use in commerce on or in connection with the following goods/services listed in the existing registration for this specific class; or if the owner is claiming excusable nonuse, list those specific goods/services to which the claim applies, following the specific instructions here:

This option uses a Text Form (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. NOTE: If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the Browse/Choose File button to select JPG/PDF image file that contains the scanned declaration/signature from your local drive. The scanned file should only include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do not include the entire application, but do ensure that the boilerplate declaration language appears; i.e., a signature by itself is not acceptable absent the required declaration language.

☐ If you have read and understand the above notice, please check the box before you click on the Pay/Submit button.

■ STEP 5: To download and save the form data, click on the Download Portable Data button at the bottom of this page. The information will be saved to your local drive. REMEMBER: Do NOT try to open the saved .obj form directly. You must return to the very first page of the form, as if starting a brand new form, and then use the specific "Browse/Choose File" button on that page to import the saved file. Clicking on the "Continue" button at the bottom of that first page will then properly open the saved version of your form.

■ STEP 6: If you are ready to file electronically:
Click on the Pay/Submit button, below, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says SUCCESS! Also, we will send an e-mail acknowledgment within 24 hours.

WARNING: Click on the Pay/Submit button below ONLY if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can NOT return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you must complete the Pay/Submit process within 30 minutes. If you are not prepared to complete the process now, you should select the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later. Or, if you have discovered any error, use the "Go Back to Modify" button to make a correction.

WARNING: You can NOT make any fee payments by credit card from 2 a.m. to 6 a.m. Sunday EST. To file during this specific period, you must use either the deposit account or electronic funds transfer payment method; or, you may use the "Download Portable Data" option to save your form, and then complete the Pay/Submit process at a later time with the credit card payment option.
