

The Office of Innovation Development, SPECO, NIHF, and PTOS
present

Inventing a Better Mousetrap

book-signing by the authors **Alan and Ann Rothschild**

Wednesday, May 25th

Author Lecture @ 12 p.m.

Book Signing and Reception @ 1 p.m.

National Inventors Hall of Fame Museum

America has always been a place that celebrates the genius of innovation. As part of the patent application process early American inventors were required to submit working models. Join authors Ann and Alan Rothschild as they explore the importance of patent models and share stories about their collection.
