

# Self-Certification for Persons Entering USPTO Facilities

## PLEASE READ!

**Warning:** By entering this facility, you are certifying that your answer to each of the below questions is NO.

1. In the last 10 days, have you **tested positive** for COVID-19 or been told by a healthcare provider that you are **presumed positive**?

If YES, you may not enter a USPTO facility until you comply with the following isolation criteria:

### Symptomatic

10 days have passed since symptoms first appeared and 24 hours have passed with no fever without the use of fever-reducing medication, and other symptoms are improving

OR

A negative COVID-19 test is obtained after 5 full days of isolation (onset of symptoms or positive test is day 0) and no fever is present without the use of fever-reducing medication, and other symptoms are improving

### Asymptomatic

10 days have passed since the positive COVID-19 test and no symptoms have occurred

OR

A negative COVID-19 test is obtained after 5 full days of isolation (positive test is day 0) and no symptoms have occurred

2. In the last 48 hours, have you experienced any of the below **symptoms** that cannot be explained by something other than COVID-19?

- Fever (of greater than 100.4 degrees) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If YES, you may not enter a USPTO facility until you comply with the following isolation criteria:

10 days have passed since symptoms first appeared and 24 hours have passed with no fever without the use of fever-reducing medication, and other symptoms are improving

OR

A negative COVID-19 test is obtained after 5 full days of isolation (onset of symptoms or positive test is day 0) and no fever is present without the use of fever-reducing medication, and other symptoms are improving

3. If you have **recently traveled** (internationally or domestically), are you currently subject to any federal, state, tribal, or local quarantine or isolation requirements (requirements may vary depending on your vaccination status)?

If YES, you may not enter a USPTO facility until you comply with the travel quarantine criteria in the USPTO Return to Worksite and Leave Options policy.

***If you are not up to date on your COVID-19 vaccinations and have not had COVID-19 within the last 90 days:***

4. In the last 10 days, have you been in **close contact** (6 feet or closer for a cumulative total of 15 minutes over a 24-hour period) with an individual who tested positive or is presumed positive for COVID-19, or has any health official or medical provider informed you that you have **potentially been exposed** to COVID-19?

If YES, you may not enter a USPTO facility for at least 5 full days after the exposure.
