

COLLABORATIVE SEARCH PILOT PROGRAM (CSP)

For a **limited time**, and at **no extra cost**, you can join those in your industry using CSP to **get expedited, consistent IP protection**.

The USPTO is conducting two independent search pilots, one with the Japan Patent Office (JPO) and another with the Korean Intellectual Property Office (KIPO), to determine whether collaborative search of commonly filed claims can improve the examination process.

- • • *Greater consistency across offices*
- • • *Expedited search results*
- • • *It's FREE to participate!*
