**Subject:** Comment on Proposed Rules - 2.105 and 2.113 - "Email or Correspondence Address of Record"

The Board proposes to amend §§ 2.105(b) and (c) to provide that it will effect service of the notice of opposition at the email or correspondence address of record for the parties, their attorneys, or their domestic representatives, and that it proposes to amend §§ 2.113(b) and (c) to provide that it will effect service of the petition for cancellation at the email or correspondence address of record for the parties, their attorneys, or their domestic representatives.

Proposed rule 2.105 pertains to “Notification to parties of opposition proceeding(s),” and proposed rule 2.113 pertains to “Notification of cancellation proceeding.”

The term “email or correspondence address of record” is not defined in the proposed rules, and there is no field in the Trademarks TSDR database (“TSDR”) entitled “Email or Correspondence Address of Record,” or even “Correspondence Address of Record.” The final rules should clarify how the applicant or owner establishes the “email or correspondence address of record.” Email addresses and street addresses can be entered in up to four places in a record:

- “Current Owner(s) Information.” In TSDR, this field displays the owner name and a street address. It does not display an email address, though an email address is collected and maintained in the Office’s records.
- “Correspondent.” In TSDR, this field displays a person’s name, company name (if applicable), and a street address, and an email address, if one has been provided.
- “Attorney of Record.” In TSDR, when an attorney is entered in the record during prosecution of an application or in the course of filing a maintenance document, this field will display the attorney’s name, but does not display a street address (although the attorney’s street address can be found by searching in the complete file). This field may display an email address, if one has been provided.
- “Domestic Representative.” If a domestic representative has been appointed, in TSDR this field will display the name of an individual or a law firm, and may display an email address, if one has been provided. It does not display a street address (although the domestic representative’s street address can be found by searching in the complete file).

Information entered in any of these four fields can linger in the database even when it is no longer accurate. For example, according to the USPTO’s Rules (37 C.F.R. §2.17(g); TMEP 604.02), an attorney who was appointed to prosecute the application is no longer the Attorney of Record once the registration issues or ownership changes. In other words, once a registration issues, there is no “Attorney of Record” for the registration. However, the name (and possibly the email address) of the attorney who prosecuted the application remains in the “Attorney of Record” field unless affirmatively removed by the attorney, the registrant, or a new owner. In

order to remove information from this field, the attorney must file a request to withdraw, or the registrant must file a revocation of the power of attorney, even when the power of attorney has already ended by operation of the rules. When ownership changes, the new owner must either contact the prior attorney to request that it file a request to withdraw, or revoke a power of attorney that it never appointed. Likewise, when the Attorney of Record also served as the Correspondent during the course of prosecution of the application, the name, street address (and possibly the email address) of that attorney remains in the “Correspondent” field in the Trademark TSDR database unless affirmatively removed by attorney, the registrant, or a new owner. Once an email address has been entered in the record in the “Correspondent” field, a new email address must be entered in order to “overwrite” the existing email address. Providing an email address is optional, though, so if the new correspondent information does not include a new email address, the former email address is not overwritten, and will continue to appear in this field. See Exhibit A (Reg. No. 2146500 – attorney and correspondent email addresses are out of date). If an attorney seeks to remove her name from the Attorney of Record field, the form requires her to supply new correspondent information for the applicant/owner, even if the reason for withdrawal is that the registration has been assigned, and she has no relationship to the new owner and no authorization to supply new correspondence information on its behalf. See Exhibit A2 (red asterisks denote required fields for new correspondence information, though note that the “name” field is not a fillable field, i.e., a name cannot be entered.) Although this form allows an email address to be entered, the instructions state that entry of a new email address to which the USPTO will send correspondence must be accomplished by submission of the “Change of Correspondence Address” form.

If an attorney appears for the applicant in an opposition proceeding, the Board updates the name and street address of the “Correspondent” in the TSDR record, but apparently does not update the correspondent’s email address. See Exhibit B (RN 3855262; and SN 8663198 (new email address supplied, but not updated in Correspondent field)).

It is optional for an owner to appoint a Domestic Representative. If the original applicant appointed a domestic representative, but the registration is assigned to a new owner who does not appoint a new domestic representative, the information for the original owner’s domestic representative will remain in the record unless affirmatively removed, even though the new owner has not, in fact, ever appointed a domestic representative. See Exhibit C (RN 1829143).

When a change affecting ownership of the registration is recorded with the Assignments Branch, it is necessary to prepare a “cover sheet” that provides the name and address of the new owner, and that includes an address for correspondence. Recordal of such a document can sometimes cause the TSDR “Current Owner(s) Information” field to be updated, but will not cause the “Correspondent” field in TSDR to be updated. As to the new owner information, TMEP § 503.01 states that:

[r]ecording a document with the Assignment Recordation Branch does not necessarily change or update the ownership of record shown in the Trademark database. There are circumstances in which the Trademark database will be updated automatically upon the recordation of an assignment, change of name, or other document transferring title. See [TMEP §§504](#) and [504.01](#). In all other

cases, the new owner must separately notify the Trademark Operation in writing of the recordation of a document, and request that the Trademark database be updated manually.

Even in the circumstances in which the recordal meets the requirements for TSDR to be automatically updated, only the “Current Owner(s) Information” field is updated. No changes are made to information that may appear in the “Attorney of Record,” “Correspondent,” or “Domestic Representative” fields. See TMEP § 504 (“Automatic updates to the ownership information will not automatically update the correspondence address in the USPTO records”) and TMEP § 503.01(b) (“If an assignment document is recorded with the Assignment Recordation Branch and it includes a new correspondence address, the USPTO will not enter the change of correspondence address or update the Trademark database. The mere inclusion of the new correspondence address on documents filed with the Assignment Recordation Branch does not effect a change in the correspondence address in the Trademark database, even if the ownership information is automatically updated. The USPTO will not change the correspondence address unless a separate written request is made to explicitly change the correspondence address.”)

An applicant and owner “have a duty to maintain a current and accurate correspondence address.” 37 CFR § 2.18; TMEP § 609.03. In the past, the applicant or owner would send a paper with new address information or correspondent information to the Office, and it was the Office’s responsibility to update its records with this information, including removing outdated information from the record (and that was not a perfect system either). The introduction of TEAS forms enabled applicant/owners to update this information themselves, but has introduced new complexities. The fundamental issue is that the rules do not clearly define the field in which “current and accurate correspondence address” should reside. And while there are numerous opportunities for an applicant/owner to provide correspondence information in various TEAS forms, this information may or may not actually cause the TSDR record to be accurately or completely updated.

For example, an owner may believe that it has satisfied its duty of maintaining a current and accurate correspondence address by filing a Change of Owner’s Address form, since this enables the owner to provide both its new address and a new correspondence address. Having provided both sets of information, it seems reasonable for an owner to believe it has updated both fields. However, the instructions for the form say that submission of this form will update the “Correspondent” field only if there is no Attorney of Record. See Exhibit D (TEAS instructions). An owner may reasonably believe that since the attorney’s power of attorney ended upon issuance of the registration, there is no longer an “Attorney of Record,” and thus this warning does not apply to its submission. But what this instruction really means is that unless the Attorney of Record field in TSDR is blank, the Correspondent field in TSDR will not be updated. Thus, while new correspondence information has been collected, the owner’s intention to update the Correspondent field has been frustrated due to a programming instruction that suppresses this updated information when data appears in the Attorney of Record field.

In conclusion, since the term “email or correspondence address of record” is not a defined field, and since there is no field with this name in the TSDR database, and since out-of-date

information is known to linger in the database following issuance of a registration and following recordal of a change in ownership of the registration, the final rules should be definite about which email or correspondence address that appears in the record is the operative one for purposes of the rule. In the alternative, the rules should explain the process or assumptions that the Board will apply in ascertaining the operative email or correspondence address for an application or registration when the various address fields are inconsistent or reflect out of date information.

Thank you for your consideration.

Regards,

Allison

Preview [Change of Owner's Address Form \[PDF\]](#) prior to accessing the electronic version through the link above. Do **not** attempt to file the PDF version because it is for informational purposes only and **not** for submitting the request to change Owner's address. To prepare and file the electronic form, you must click on "Change of Owner's Address" at the top of this section.

Use this form to change the **owner's address** for an application or registration (which may be the same as, or differ from, the correspondence address). This form may **not** be used for applications or registrations based on the Madrid Protocol (Section 66(a) of the Act).

**NOTE:** Changing the owner's address does **not** record or effect changes to the applicant's or registrant's name, nor record or effect transfers of ownership of an application or registration from one party to another. You must file such recordals with the Assignments Division. To file an Assignment electronically, click [here](#).

Also, changing the owner's address will **not** effect changes to the correspondence address that the Office will use **unless** the owner's address and the correspondence address are identical. To change the correspondence address for an application or registration, please use the [Change of Correspondence Address form](#).

**WARNING: ONLY** the applicant or its attorney is qualified to sign this form requesting a change of the owner's address data.

**NOTE TO REGISTRANTS:** Use of this form to change the owner's address will **not** automatically generate an "updated registration certificate" (URC). To obtain an URC that reflects the new address, you must submit a written request for the URC pursuant to §7 of the Act, along with the required fee. See 37 C.F.R. §2.173(e).

**NOTE TO MADRID PROTOCOL APPLICANTS:** You must file a change to the name or address of a holder of an extension of protection of an international registration to the United States directly with the International Bureau (IB) of the World Intellectual Property Organization, through [Form MM9](#). [Madrid Protocol Article 9bis](#). Once the change is recorded in the International Register, the IB will notify the USPTO and the USPTO will update its records.

**Change of Owner's Address**

TEAS - Version 5.4 : 07/11/2015

**Actual TEAS form**

Please enter the **serial/registration number(s)** of the applications(s) or registration(s) for which you wish to change the owner's/holder's address (which may be the same as, or different from, the correspondence address). To change the owner's/holder's address for more than one application or registration *having the identical single owner/holder*, enter multiple serial/registration numbers (but not exceeding 300 serial/registration numbers per request form, separating each with a space, with no punctuation). To change the owner's/holder's address for a single application or registration *having multiple owners/holders*, enter the serial/registration number. Click on the "Continue" button below to access the form for entering your information.

Changing the owner's/holder's address, whether through this electronic form or filing a paper change request, does not record or effect changes to the owner's/holder's name, nor record or effect transfers of ownership of an application or registration from one party to another. You must file such records with the Assignments Division. For more information on Assignments, click [here](#). To file an Assignment electronically, click [here](#).

When there is an attorney of record you cannot update the correspondence address on the Change of Owner Address form. However, when there is no attorney of record you can update the correspondence address on this form.

**Note to Registrants:** Use of this form to change the owner's/holder's address will not automatically generate an "updated registration certificate" (URC). To obtain an URC that reflects the new address, you must submit a written request for the URC pursuant to §7 of the Act, along with the required fee.

**Note:** You must complete any field preceded by the symbol "\*". ONLY the owner/holder or its attorney is qualified to sign this form requesting a change of the owner's/holder's address data.

**WARNING:** This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

\* Please enter the **Serial/Registration Number(s)**

**Note:** Do NOT use this form for applications or registrations based on Section 66(a) of the Act. You must file a change to the name or address of a holder of an extension of protection of an international registration to the United States directly with the International Bureau (IB) of the World Intellectual Property Organization, through [Form MM9](#). Madrid Protocol Article 9bis. Once the change is recorded in the International Register, the IB will notify the USPTO and the USPTO will update its records.

## Change of Owner's Address

TEAS - Version 5.4 : 07/11/2015

By submission of this request, the undersigned requests that the following new address be made of record for the owner/holder:

New Address Information	
<b>Name</b>	<input type="text"/>
<b>Internal Address</b>	<input type="text"/>
<b>* <u>Street Address</u></b>	<input type="text"/> <b>NOTE:</b> You must limit your entry here, and for all remaining fields within this overall section, to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.
<b>* <u>City</u></b>	<input type="text"/>
<b>* <u>State</u> (Required for U.S. owners/holders)</b>	<input type="text" value="State"/> <b>NOTE:</b> You must include as part of the "city" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most instances, you will then also have to select the country within which the region is found, below.
<b>* <u>Country or U.S. Territory</u></b>	<input type="text" value="Country or U.S. Territory"/>
<b>* <u>Zip/Postal Code</u> (Required for U.S. owners/holders)</b>	<input type="text"/>
<b><u>Phone Number</u></b>	<input type="text"/>
<b><u>Fax Number</u></b>	<input type="text"/>
<b><u>Internet E-mail Address</u></b>	<input type="text"/> Only one e-mail address may be used for correspondence, in accordance with <a href="#">USPTO policy</a> . The owner/holder must keep this address current in the USPTO's records.
	<input type="checkbox"/> Check here to <a href="#">authorize</a> the USPTO to communicate with the owner/holder via e-mail. <b>NOTE:</b> By checking this box, the owner/holder acknowledges that it is solely responsible for receipt of USPTO documents sent via e-mail. The owner/holder should periodically check the status of its application through the <a href="#">Trademark Status &amp; Document Retrieval (TSDR) system</a> , to see if the USPTO has e-mailed an action. If an action has been sent to the provided e-mail address, the USPTO is not responsible for any e-mail not received due to the owner' s/holder 's, the owner' s/holder 's attorney' s, or the owner' s/holder 's domestic representative 's security or anti-spam software, or any problems within the owner' s/holder 's, the owner 's/holder 's attorney 's, or the owner 's/holder 's domestic representative 's e-mail system. All sent actions can be viewed on-line, via the <a href="#">TSDR</a> system.
