Dear Commissioner of Patents,

Thank you for the opportunity to comment on the new proposed CLE requirements. I am a patent agent and work for two firms Nuventus LLC and Stanton IP law firm. I am also a professional engineer in 6 states CT, VT, FL, TX, LA, OK and AL. I believe the Florida system for CLE is a good blueprint for any system the office would put in place.

Florida has numerous providers and multiple methods to achieve the required CLE credits requirements.

Thank you for the opportunity to provide input.

Kind regards,

/Joel Douglas/
