SHOW CAUSE ORDER

Dear Ms. Fischer:

This letter is to inform you that, for the reasons set forth below, the United States Patent and Trademark Office ("USPTO") is considering excluding you from participation as a correspondent, domestic representative, and/or signatory in any trademark applications and registrations before the USPTO.

The USPTO records indicate that you have been involved in more than 128 trademark applications or registrations. Specifically, these applications and registrations, which belong to various entities and individuals other than you, list you as the correspondent and/or domestic representative and signatory on behalf of the trademark applicants and registrants as the "proxy" of the applicants and registrants. In addition, an email address belonging to you is provided in these applications and registrations for the purpose of correspondence. A list of relevant applications and registrations is attached.

The circumstances suggest that you are preparing and filing documents with the USPTO in trademark applications and/or registrations or are otherwise acting on behalf of trademark applicants and/or registrants in connection with the applications and/or registrations. If so, these actions may constitute the unauthorized practice of trademark law before the USPTO. *See* 37 C.F.R. §§ 2.17(a), 11.5(b)(2), 11.14; *Trademark Manual of Examining Procedure* ("TMEP") §§ 602, 608. Please note that only a licensed attorney is authorized to represent an applicant or registrant in trademark matters before the USPTO. 37 C.F.R. § 11.14(a). Individuals who are not attorneys are not recognized to practice before the USPTO in trademark matters. 37 C.F.R. § 11.14(b); *see also* TMEP § 602.01. The information currently available to the USPTO reflects that you are not an attorney and not an authorized signatory of the trademark applicants or registrants as required under 37 C.F.R. § 2.193(e).

Under 35 U.S.C. § 3(b)(2)(A), the Commissioner for Trademarks possesses the authority to manage and direct all aspects of the activities of the USPTO that affect the administration of trademark operations. This broad authority includes the authority to exclude a person from

serving as a correspondent or domestic representative before the USPTO, where appropriate.
See 35 U.S.C. § 3(b)(2)(A).

Therefore, you are hereby required to show cause why the USPTO should not: (1) cease acceptance of any filings in trademark applications or registrations from you; (2) cease use of your contact information as a correspondent or domestic representative; and (3) prohibit participation by you as a correspondent, domestic representative, or signatory in any trademark applications or registrations before the USPTO. Any such showing should include evidence for each case that demonstrates the legitimacy of using your signature and/or correspondence information for purposes relating to trademark applications or registrations.

Your response must be received at the following address on or before the close of business within **30 days** of the date of this letter. Additional time to respond may be requested.

Failure to deliver a response on or before the end of the 30-day period will result in the aforementioned actions by the USPTO.

Sincerely,

Deborah S. Cohn
Commissioner for Trademarks
