**Subject:** Proposal to institute \$100 fee for letter of protest  
**Date:** Sunday, September 22, 2019 10:35:39 PM

---

Dear sir, madam,

I strongly object to to the proposal to charge \$100 to file a letter of protest. I am a designer that makes a living from selling designs on Merch by Amazon and there are many companies that unscrupulously file trademarks without enough justification. The LOPs is one of the few vehicles we designers have to stop these companies from abusing the system. I urge you to reconsider.

regards,

Lance Gambis
