

Jack Harvey

Jack Harvey is the Assistant Deputy Commissioner for Patent Operations overseeing the areas of communications, transportation, construction, agriculture, e-commerce and national security.

Mr. Harvey joined the USPTO in 1984 as a patent examiner in the electrical area and served as a Supervisory Patent Examiner in the areas of Computer Measuring and Testing, Computer Architecture and Computer Networking. He also served as a Quality Assurance Specialist in related fields and e-commerce. Mr. Harvey was appointed to the Senior Executive Service, and over the past 13 years he has served in the capacity of Director in four Technology Centers including the Database, Computer Networking, and Semiconductor technologies.

Mr. Harvey holds a Bachelor of Science degree in Electrical Engineering from Clarkson University.
