

A Radio Show for current and aspiring Entrepreneurs, Innovators, & Intellectual Property Holders

This week's guest Ashley E. Randall

Ashley E. Randall is the Assistant Director of Public Service and Pro Bono Activities for the North Carolina Bar Association Foundation, where she coordinates public service and pro bono initiatives which allow attorneys to help indigent North Carolinians. In this role, she coordinates NC LEAP, which is a signature pro bono project connecting low-wealth entrepreneurs with free legal assistance.

Join Brian T. Church and Les Stouder for Nashville's Air Wave Incubator for Entrepreneurs, Innovators and Intellectual Property Holders! These serial Entrepreneurs and Innovators have created a show and a new company Ideashares.com to help Entrepreneurs and Ideators navigate the world of Intellectual Property and Innovation. Prepare to have the power of invention placed back into your hands!
