

## Anthony Caputa

Anthony (Tony) Caputa is the Director of the Office of Patent Quality Assurance (OPQA). As the Director of OPQA, Tony Caputa is responsible for assessment and measurement of patent examination quality at the USPTO as well as providing support to the patent examining Corps in developing and implementing data-driven quality improvement initiatives.

Mr. Caputa received his Bachelor of Science degree from the University of Wisconsin in Bacteriology and a Doctor of Philosophy (PhD) degree from the University of Minnesota in Veterinary Microbiology.

## **Brian E. Hanlon**

Brian E. Hanlon is the Director of the Office of Patent Legal Administration (OPLA) at the United States Patent and Trademark Office (USPTO). Prior to taking his current position, Mr. Hanlon served as the acting Chief of Staff for Under Secretary of Commerce for Intellectual Property and Director of the USPTO, David J. Kappos, and served as the Director of Strategic Planning and Management Council for Under Secretary and Director Jon W. Dudas and acting Under Secretary and Director John J. Doll. Prior to his work in the Under Secretary's Office, Mr. Hanlon was the Deputy Director of OPLA. Mr. Hanlon was also a shareholder at the law firm of Banner & Witcoff, Ltd. where his practice focused on patent prosecution and client counseling on issues relating to both procurement and enforcement of utility and design patents.

Mr. Hanlon began his career as a patent examiner at the USPTO in former Group 3300, now TC 3700. He received a Bachelor of Science in Mechanical Engineering with Honors from Worcester Polytechnic Institute, and a J.D., *Magna Cum Laude*, from the Catholic University of America, Columbus School of Law. Mr. Hanlon is a member of the Bars of Maryland, the District of Columbia, and the United States Supreme Court.

## **Jack Harvey**

Jack Harvey is the Director of Technology Center 3700 at the United States Patent and Trademark Office (USPTO); this Technology Center examines applications in the area of mechanical engineering, manufacturing and products. Additionally, Mr. Harvey is acting as an Assistant Deputy Commissioner for Patent Operations overseeing the areas of communications, transportation, construction, agriculture, e-commerce and national security.

Mr. Harvey joined the USPTO as a patent examiner after receiving a Bachelor of Science degree in Electrical Engineering from Clarkson University. He examined applications in the electrical area and served as a Supervisory Patent Examiner in computer architecture and well as a Quality Assurance Specialist in related fields. Mr. Harvey was appointed to the Senior Executive Service, and over the past 10 years he has served in the capacity of Director in four Technology Centers including the Database and Semiconductor technologies.

## **Stephen Koziol**

Stephen (Steve) Koziol is a Supervisory patent Examiner (SPE) in Art Unit 2665, specializing in digital image analysis. Mr. Koziol joined the USPTO in 2007 as a patent examiner, earned his Master's level designation in 2011, and became a SPE in 2012. Mr. Koziol has managed art units in the computer graphics and digital image analysis fields within Technology Center 2600, and has served as a SPE in the Office of Patent Training. He was the recipient of Leadership in Action Awards in 2014 and 2015. As a SPE, he has focused on the development and implementation of programs including AIA First Inventor to File implementation, Partnering in Patents, Docket Management, and Patent Operations ABI cost modeling.

Mr. Koziol received his Bachelor of Science degree in Electrical Engineering from Bradley University in Peoria, Illinois.
