## **SHOW CAUSE ORDER**

Dear Mr. Don:

This letter is to inform you that, for the reasons set forth below, the United States Patent and Trademark Office (“USPTO”) is considering excluding you from participating as a correspondent, domestic representative, or signatory in any trademark applications or registrations before the USPTO.

The USPTO’s records indicate that you have been involved in more than 525 trademark applications or registrations. Specifically, these applications and registrations, which belong to various entities and individuals other than you, list you and Champion Intellectual Property Management as the correspondent. In addition, an email address apparently belonging to Champion Intellectual Property Management is provided in these applications for the purpose of correspondence. Finally, some of the filings associated with these records, including responses to Office actions, set forth your signature and identify your position as “Vice President.” A list of relevant applications and registrations is attached.

Only a licensed attorney is authorized to represent an applicant or registrant in trademark matters before the USPTO. 37 C.F.R. §11.14(a). Individuals who are not attorneys are not recognized to practice before the USPTO in trademark matters on behalf of others. 37 C.F.R. §11.14(b); *see also* Trademark Manual of Examining Procedure (“TMEP”) §602.01. The information currently

available to the USPTO suggests that you are not an attorney, and it is unclear whether you are an authorized signatory, as required under 37 C.F.R. §2.193(e).

The circumstances suggest that you are preparing, signing, and filing documents with the USPTO in connection with trademark applications and registrations, or are otherwise acting on behalf of others in matters before the USPTO. If so, these actions may constitute the unauthorized practice of trademark law before the USPTO. *See* 37 C.F.R. §§2.17(a), 11.5(b)(2), 11.14; TMEP §§602, 608.

Under 35 U.S.C. §3(b)(2)(A), the Commissioner for Trademarks possesses the authority to manage and direct all aspects of the activities of the USPTO that affect the administration of trademark operations. This broad authority includes the authority to exclude a person from serving as a correspondent or domestic representative before the USPTO, when appropriate. *See* 35 U.S.C. §3(b)(2)(A).

Therefore, you are hereby required to show cause why the USPTO should not: (1) cease acceptance of any filings in trademark applications or registrations from you or Champion Intellectual Property Management; (2) cease use of your contact information as a correspondent or domestic representative; and (3) prohibit participation by you as a correspondent, domestic representative, or signatory in any trademark applications or registrations before the USPTO. Any such showing should include evidence for each case that demonstrates the legitimacy of using your signature or correspondence information for purposes relating to trademark applications or registrations.

Your response must be received at the following address within **30 days** of the date of this letter:

U.S. Patent and Trademark Office  
Commissioner for Trademarks  
Attn: Robert Lavache  
600 Dulany Street  
Madison Building East, 10<sup>th</sup> Floor  
Alexandria, Virginia 22313-1450

Your response may include a request for additional time to respond; these requests are considered on a case-by-case basis.

Failure to provide a timely response will prompt the USPTO to undertake the actions described above.

Sincerely,

Mary Boney Denison  
Commissioner for Trademarks
