

PRESENTER BIOGRAPHY

Nelson Yang

Acting Director of International Patent Business Solutions in the Office of International Patent Cooperation

At USPTO, Mr. Yang has been involved in many key initiatives, including the Global Dossier, the Global Patent Search Network (GPSN), The Hague Agreement, and Patents End to End (PE2E).

Prior to being Acting Director of IPBS, Mr. Yang worked as a patent business analyst and as a biotechnology patent examiner at the USPTO. Mr. Yang graduated from Johns Hopkins University with Bachelors of Science degrees in Biomedical Engineering and Computer Engineering, and a Master of Science in Engineering degree in Biomedical Engineering.
