Call for Nominations

The National Medal of Technology and Innovation is America’s highest honor for technological achievement and innovation. It is presented by the President of the United States at a White House ceremony.

The medal is awarded to individuals, teams (up to four individuals), companies or divisions of companies for their outstanding contributions to the nation’s economic, environmental, and social well-being through the development and commercialization of technological products, processes and concepts, technological innovation, and strengthening the nation’s technological workforce.

Anyone can nominate for the National Medal of Technology and Innovation by submitting the nomination form and letters of support at www.uspto.gov/nmti.

Nominations of candidates from traditionally underrepresented groups are encouraged.

Nominations are due by April 3, 2020
