The following error(s) have been detected in the page, which must be corrected. To correct the error(s), scroll down directly on this page to access the referenced field(s) (i.e., do not click your browser's back button).

**Important:** ONCE A VOLUNTARY AMENDMENT IS SUBMITTED ELECTRONICALLY, THE USPTO WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT OF THE VOLUNTARY AMENDMENT. Please contact teas@uspto.gov within 24 hours of transmission (or by the next business day) if you do not receive this acknowledgment.

**Contact Points:**

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the voluntary amendment form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
   - To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
   - To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.

STEP 3: ANSWER ALL WIZARD QUESTIONS.
You must answer all wizard questions appearing directly below, now currently set on "No" as a default (unless you are accessing a previously filled-out/saved form, then see STEP 2, above). At least one answer must be “Yes” or your amendment will be completely blank.

1. Do you need to do any of the following:
   - change/delete an existing class number*
   - modify the identification of goods/services/the nature of the collective membership organization **
   - change filing basis
   - add/modify dates of use
   - submit a new or substitute specimen
   - submit a foreign registration certificate or proof of renewal of the foreign registration

   *NOTE: To ADD a new class, answer “Yes” to #5, and to pay fee(s) for additional class(es), answer “Yes” to #6.

   **NOTE: You may only modify the identification of goods/services/the nature of the collective membership organization to clarify or limit them; adding to or broadening the scope of the goods/services/nature of the collective membership organization is not permitted.

   O Yes  O No

2. Do you need to add or delete (withdraw) any of the following:
   NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, even when only one is appropriate and should be selected.
   - Disclaimer
   - Colors claimed as feature of the mark
   - Description of the mark (including nature and location of color(s), if appropriate)*
   - Stippling statement
   - Claim of prior registration(s)
   - Translation/Transliteration
   - Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
   - Section 2(f) claim
   - Consent to register name(s), likeness(es), signature(s) of individual(s)
   - Supplemental Register amendment
   - Concurrent use claim
   - Miscellaneous statement**

   *NOTE: Do not use this section if you are also answering “Yes” to Question #3, below; which will then provide this field. Use this only if adding or modifying an existing description but not attaching a new mark image.

   **NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #1, above. This field may also be used to request DELETION (WITHDRAWAL) of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).
3. Do you need to submit a new drawing of the mark, either to change the mark itself or submit a better quality image?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are sometimes permitted. A drawing must be in JPG format.

4. Do you need to correct or change the owner's/holder's name or entity information or provide missing owner/holder or entity information?

5. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) failing to satisfy the requirements of TEAS Plus or TEAS RF; and/or (3) processing a payment that has been refused or charged back?

6. Is a newly appearing attorney filing this form?

WARNING: Answer YES to this question only if one of the three requirements set forth in the underlying help text for "newly appearing attorney" has been satisfied. Failure to satisfy one of the three requirements may result in a later determination that this submission is incomplete and/or not in compliance with the minimum filing requirements.

7. Do you need to change correspondence address (includes e-mail address)?

8. Do you need to submit a Signed Declaration to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

STEP 4: ACCESS ACTUAL AMENDMENT FORM.

Mark Information

Note: While minor changes in the mark are sometimes permitted, any material alteration will NOT be permitted and will result in a refusal being issued on that ground.

☐ If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type: ☐ Standard Characters ☐ Special Form (Stylized and/or Design) ☐ Sound Mark

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with no design element and without claim to any particular font style, size or color.

Add/Modify the Standard Characters mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

NOTE: After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "Special Form (Stylized and/or Design)" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click here.

Mark Information

Note: While minor changes in the mark are sometimes permitted, any material alteration will NOT be permitted and will result in a refusal being issued on that ground.

☐ If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type:
  ○ Standard Characters  ○ Special Form (Stylized and/or Design)  ○ Sound Mark

Click on the "Browse/Choose File" button to select a properly-sized JPG image file (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you must submit a color image; otherwise, the image must be clear black and white. After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

WARNING: The image size cannot exceed 5 megabytes per attachment.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do NOT enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file must include all elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the literal element field that is not found in the attached image file will not be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

☐ If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. NOTE: Check the box only if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.

Enter a complete and accurate description of the entire mark below, being sure to include ALL literal elements and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)
NOTE: A description of the mark is required for ALL marks that are in a special form (i.e., for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, above. Also, for any color mark, the description of the mark must include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do NOT include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entity with a lower-case, NOT an upper-case, letter.
