

In Partnership with the Silicon Valley Intellectual Property Law Association, the Silicon Valley U.S. Patent and Trademark Office is pleased to present:

Post Grant Patent Challenges: Reexamination and AIA Trials

May 22, 2018 | 9 AM – 11 AM

**Silicon Valley USPTO
26 S. Fourth Street
San Jose, CA 96113**

**2 Hours of California MCLE Credit Offered
Continental Breakfast Included!**

Hear from a Patent Trial and Appeal Board Judge and a Supervisory Patent Examiner from the Central Re-Examination Unit about options available for challenging an issued patent before the U.S. Patent and Trademark Office (USPTO).

The seminar will cover *Ex Parte* Reexamination, Supplemental Examination, and Examination of Reissue applications. Topics will include:

- Overview of types of examination proceedings
- Purpose of examination proceedings
- Scope of examination proceedings
- Amendment practices

Additionally, the seminar will cover the four different AIA Trial proceedings: Inter Partes Reviews (IPR), Post Grant Reviews (PGR), Covered Business Method Reviews (CBM), and Derivation proceedings.

A continental breakfast will be provided through our co-host Silicon Valley Intellectual Property Law Association (SVIPLA) by Platinum Intellectual Property LLP.

Please note: *The Silicon Valley USPTO is a Federal facility. Attendees are required to present a valid form of government-issued identification (driver license or passport) and may be subject to security screening.*
