Request for Reconsideration after Final Action

TEAS - Version 5.8 : 01/14/2017

Important: ONCE A RESPONSE TO FINAL REFUSAL IS SUBMITTED ELECTRONICALLY, THE USPTO WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT OF THE RESPONSE TO FINAL REFUSAL. Please contact tesas@uspto.gov within 24 hours of transmission (or by the next business day) if you do not receive this acknowledgment.

Contact Points:
For general trademark information, please e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199. If you need help in resolving technical glitches, please e-mail tesas@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. For status information on an application that has an assigned serial number, use https://teas.uspto.gov.

NOTE ABOUT STATUS CHECKS: Do NOT attempt to check the status of a filing until at least 72 hours after submission of the filing, to allow sufficient time for our databases to be updated.

* Instructions:
To file the response to final refusal form electronically, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the response to final refusal form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
   1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
   2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
   3. To electronically save the form, use the Download Portable Data option on the Validation Page.
3. Validate the form by selecting the "Continue" button on the Signature Page.
4. On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process.
5. Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different payment methods: credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will receive a SUCCESS! Page.
6. You will receive an e-mail acknowledging receipt of your submission.

Currently Authorized Correspondence E-mail Address

NOTE: If the correspondence information above includes an e-mail address that is no longer correct or contains a typographical error, please use the Change of Correspondence Address Form to update or correct the e-mail address AND reauthorize the USPTO to communicate with you by e-mail. If the correspondence information above does NOT include an e-mail address, you are encouraged to use the Change of Correspondence Address Form to enter an e-mail address and provide authorization for the USPTO to communicate with you by e-mail, which would enable you to be notified immediately when Office action or official notice issues. It is important that you maintain a current e-mail address with the USPTO so that you are able to receive critical correspondence. For assistance in resolving any technical issues with this process, please contact TEAS@uspto.gov.
WARNING: For an application filed under TEAS Plus or TEAS Reduced Fee, the failure to maintain a correct and authorized e-mail address for ongoing e-mail communication will result in the loss of TEAS Plus or TEAS Reduced Fee status and a requirement to pay a processing fee of $125 per class.

STEP 3: ANSWER ALL WIZARD QUESTIONS.
You must answer all wizard questions appearing directly below, now currently set on "No" as a default (unless you are accessing a previously filled-out/saved form, then see STEP 2, above). At least one answer must be "Yes" or your response will be completely blank. You should review the Office action and then answer "Yes" to any question that directly relates to a requirement and/or refusal raised in the final Office action. You must respond explicitly to each refusal and/or requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application without specifying the exact changes, is not a proper response to the final Office action (except if the only issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to respond to a refusal to register your mark, including (but not limited to) a possible finding that your mark appears to be:
   - likely to cause confusion with another mark(s)
   - merely descriptive (or generic) or deceptively misdescriptive
   - primarily merely a surname
   - geographically descriptive or geographically deceptively misdescriptive
   - deceptive
   - functional
   - multiple marks instead of a single mark
   - a protected symbol (e.g., a flag, the Red Cross)
   - used in a manner that would not be perceived as actually being a trademark/servicemark*

   You must answer "Yes" to this question to submit your arguments against the refusal, and if necessary, attach supporting evidence, to attempt to convince the examining attorney to withdraw the refusal.

   *NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.

   ○ Yes  ○ No

2. Do you need to do any of the following:
   - change/delete an existing class number*
   - modify the identification of goods/services/the nature of the collective membership organization**
   - change filing basis
   - add/modify dates of use
   - submit a new or substitute specimen
   - submit a foreign registration certificate or proof of renewal of foreign registration

   *NOTE: To ADD a new class, answer "Yes" to #6, and to pay fee(s) for additional class(es), answer "Yes" to #7.

   **NOTE: You may only modify the identification of goods/services/collective membership organization to clarify or limit them; adding to or broadening the scope of goods/services/collective membership organization is not permitted.

   ○ Yes  ○ No

3. Do you need to add or delete (withdraw) any of the following:

   NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, even when only one is appropriate and should be selected.

   - Disclaimer
   - Colors claimed as feature of the mark
   - Description of the mark (including nature and location of color(s), if appropriate)*
   - Stippling statement
   - Claim of prior registration(s)
**Request for Reconsideration after Final Action**

- Translation/Transliteration
- Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
- Section 2(f) claim
- Consent to register name(s), likeness(es), signature(s) of individual(s)
- Supplemental Register amendment
- Concurrent use claim
- Miscellaneous statement**

**NOTE: Do not use this section if you are also answering "Yes" to Question #4, below, which will then provide this field. Use this only if adding or modifying an existing description but not attaching a new mark image.**

**NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #2, above. This field may also be used to request DELETION (WITHDRAWAL) of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).**

- Yes  
- No

**4. Do you need to submit a new drawing of the mark, either to change the mark itself or submit a better quality image?**

**NOTE: A material change to your mark is never permissible. Only minor changes in the mark are sometimes permitted. A drawing must be in JPG format.**

- Yes  
- No

**5. Do you need to correct or change the applicant's name or entity information or provide missing applicant or entity information?**

- Yes  
- No

**6. Do you need to ADD a new class(es) of goods/services/a collective membership organization?**

**NOTE: You may not add class(es), goods/services, or any descriptive language to an identification that would result in a broadening of the scope of the current identification of goods/services/the nature of the collective membership organization.**

**NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #7. To change an existing classification number or delete goods/services/a collective membership organization, answer "Yes" to #2.**

- Yes  
- No

If the answer is Yes, enter the number of classes: __________________________

**7. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) failing to satisfy the requirements of TEAS Plus or TEAS RF; and/or (3) processing a payment that has been refused or charged back?**

- Yes  
- No

**8. Is a newly appearing attorney filing (i.e., a person not the subject of an applicant-signed appointment filed prior to this submission) this form?**

**WARNING: Answer YES to this question only if one of the three requirements set forth in the underlying help text for "newly appearing attorney" has been satisfied. Failure to satisfy one of the three requirements may result in a later determination that this submission is incomplete and/or not in compliance with the minimum filing requirements.**
9. Do you need to change correspondence address (includes e-mail address)?

☐ Yes  ☐ No

10. Do you need to submit a Signed Declaration to verify an application?

☐ Yes  ☐ No

**NOTE:** Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

☐ Yes  ☐ No

Entering your argument(s)

1. In the free-text area below, enter your argument(s) in support of registration. You may either type directly into the box, or cut-and-paste from another document into this box.

2. If your browser version supports the enhanced functionality of this section, you can format your entry, using the various editing keys displayed above the text entry area (for font, size, color, bold, italics, etc.). Do NOT include any html or other programming code or language that may create links within the argument section.

3. If no editing keys are displayed above the text entry box, then your current browser version does not support the enhanced text-editing functionality. You may wish to upgrade to a higher browser level. You may still use the box for entry of your argument(s), but no formatting beyond conventional spacing will be possible. Again, do NOT include any html or other programming code or language that may create links within the argument section.

4. When you have completed entry of your entire argument(s), click on the "Save and Return to Form" button, above the text entry box. Do not use the "X" button within the browser to close the window, as this may delete all entered information. The form will retain any formatting you have used, viewable through the icons on the Validation page upon completion and validation of this form.

5. At the point of final validation, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process. If any previously-entered argument text or files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response, e.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.

## CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Amending the Original Class(es) in the Application

Enter information for the 1st Original Class

- Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.

- Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, a foreign registration certificate, or proof of renewal of a foreign registration. If not checked, the changes will be ignored.

**Original International Class : 009**

*International Class: [ ] (Enter class number 001-045, A, B and 200)

**Listing of Goods/Services/Collective Membership Organization**

*NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/services/description of the collective membership organization. For more information about acceptable language for the goods/services, see the USPTO’s on-line Goods and/or Services Manual. If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

**WARNING:** Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or remove goods/services/the collective membership organization, you may NOT at this point ADD or BROADEN goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services or broadening the nature of the collective membership organization not within the scope of the current identification.

**WARNING:** Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an owner’s/holder’s lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

- **Filing Basis Section 1(a). Use in Commerce:** For all applications: The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. For a certification mark application: The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. **WARNING:** If you filed your original application under Section 1(b), Intent to Use, do not use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. The applicant must keep this address current in the USPTO's records.

**Note:** By checking this box, the applicant acknowledges that it is solely responsible for receipt of USPTO documents sent via e-mail. The applicant should periodically check the status of its application through the Trademark Status & Document Retrieval (TSR) system, to see if the assigned examining attorney has e-mailed an Office Action. If an action has been sent to the provided e-mail address, the USPTO is not responsible for any e-mail not received due to the applicant's, the applicant's attorney's, or the applicant's domestic representative's security or anti-spam software, or any problems within the applicant's, the applicant's attorney's, or the applicant's domestic representative's e-mail system. **Warning:** If you previously provided an e-mail address and authorized the USPTO to communicate via e-mail, and if you are now submitting a change to any field in the correspondence address section of this form, you must re-enter the address and authorize e-mail communication, even if this information is not changing; otherwise, a “blank” listing will “wipe out” any existing e-mail address/authorization. For an application filed under TEAS Plus or TEAS Reduced Fee, the failure to maintain a correct and authorized e-mail address for ongoing e-mail communication will result in the loss of TEAS Plus or TEAS Reduced Fee status and a requirement to pay a processing fee of $125 per class.
