Response To Office Action

TEAS - Version 5.8 : 01/14/2017

Important: ONCE A RESPONSE IS SUBMITTED ELECTRONICALLY, THE USPTO WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT OF THE RESPONSE. Please contact teas@uspto.gov within 24 hours of transmission (or by the next business day) if you do not receive this acknowledgment.

Contact Points:

i For **general** trademark information, please e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199. If you need help in resolving **technical** glitches, please e-mail teas@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. For **status** information on an application that has an assigned serial number, use <https://tsdr.uspto.gov>.

NOTE ABOUT STATUS CHECKS: Do NOT attempt to check the status of a filing until at least 72 hours after submission of the filing, to allow sufficient time for our databases to be updated.

* Instructions:

To file the response form electronically, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the response form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
 1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
 2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
 3. To electronically save the form, use the Download Portable Data option on the Validation Page.
3. Validate the form by selecting the "Continue" button on the Signature Page.
4. On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process. If any previously-entered argument text or image files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will **not** receive a complete response. e.g., if you initially pasted text into the argument field, but the argument section is now blank, you **must** paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.
5. Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will receive a SUCCESS! Page.
6. You will receive an e-mail acknowledging receipt of your submission.

**Currently Authorized Correspondence
E-mail Address**

NOTE: If the correspondence information above includes an e-mail address that is no longer correct or contains a typographical error, please use this form to update or correct the e-mail address AND reauthorize the USPTO to communicate with you by e-mail. If the correspondence information above does NOT include an e-mail address, you are encouraged to use this form to enter an e-mail address and provide authorization for the USPTO to communicate with you by e-mail, which would enable you to be notified immediately when an Office action or official notice issues. It is important that you maintain a current e-mail address with the USPTO so that you are able to receive critical correspondence. For assistance in resolving any technical issues with this process, please contact TEAS@uspto.gov.

WARNING: For an application filed under TEAS Plus or TEAS Reduced Fee, the failure to maintain a correct and authorized e-mail address for ongoing e-mail communication will result in the loss of TEAS Plus or TEAS Reduced Fee status and a requirement to pay a processing fee of \$125 per class.

STEP 3: ANSWER ALL WIZARD QUESTIONS.

You must answer all wizard questions appearing directly below, now currently set on "No" as a default (unless you are accessing a previously filled-out/saved form, then see STEP 2, above). At least one answer must be "Yes" or your response will be completely blank. You should review the Office action and then answer "Yes" to any question that directly relates to a requirement and/or refusal raised in the Office action. You must respond explicitly to **each** refusal and/or requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application *without specifying the exact changes*, is not a proper response to the Office action (except if the *only* issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to respond to a refusal to register your mark, including (but not limited to) a possible finding that your mark appears to be:

- likely to cause confusion with another mark(s)
- merely descriptive (or generic) or deceptively misdescriptive
- primarily merely a surname
- geographically descriptive or geographically deceptively misdescriptive
- deceptive
- functional
- multiple marks instead of a single mark
- a protected symbol (e.g., a flag, the Red Cross)
- used in a manner that would not be perceived as actually being a trademark/servicemark*

You must answer "Yes" to this question to [submit your arguments against the refusal](#), and if necessary, attach [supporting evidence](#), to attempt to convince the examining attorney to withdraw the refusal.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.

Yes No

2. Do you need to do any of the following:

- [change/delete an existing class number](#)*
- [modify the identification of goods/services/the nature of the collective membership organization](#) **
- [change filing basis](#)
- [add/modify dates of use](#)
- [submit a new or substitute specimen](#)
- [submit a foreign registration certificate or proof of renewal of the foreign registration](#)

*NOTE: To ADD a new class, answer "Yes" to #6, and to pay fee(s) for additional class(es), answer "Yes" to #7.

NOTE: You may only modify the identification of goods/services/the nature of the collective membership organization to clarify or limit the goods/services/the nature of the collective membership organization; adding to or broadening the scope of the goods/services/nature of the collective membership organization is **not permitted.

Yes No

3. Do you need to add or delete (withdraw) any of the following:

NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, even when only one is appropriate and should be selected.

- Disclaimer
- Colors claimed as feature of the mark
- Description of the mark (including nature and location of color(s), if appropriate)*
- Stippling statement
- Claim of prior registration(s)
- Translation/Transliteration
- Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
- Section 2(f) claim
- Consent to register name(s), likeness(es), signature(s) of individual(s)
- Supplemental Register amendment
- Concurrent use claim
- Miscellaneous statement**

*NOTE: Do **not** use this section if you are also answering "Yes" to Question #4, below, which will then provide this field. Use this **only** if adding or modifying an existing description **but not attaching a new mark image**.

NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do **not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #2, above. This field may also be used to request **DELETION (WITHDRAWAL)** of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

Yes No

4. Do you need to submit a new drawing of the mark, either to [change the mark itself](#) or [submit a better quality image](#)?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are *sometimes* permitted. A drawing must be in JPG format.

Yes No

5. Do you need to correct or change the [applicant's name or entity information](#) or provide missing applicant or entity information?

Yes No

6. Do you need to [ADD a new class\(es\) of goods/services/a collective membership organization](#) ?

NOTE: You may **not** add class(es)/goods/services, or any descriptive language to an identification to broaden the scope of the current identification of the goods/services/collective membership organization.

NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #7. To change an existing classification number or delete goods/services/a collective membership organization, answer "Yes" to #2.

Yes No

If the answer is Yes, enter the number of classes:

7. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) [failing to satisfy the requirements of TEAS Plus or TEAS RE](#); and/or (3) processing a payment that has been [refused or charged back](#)?

Yes No

8. Is a [newly appearing attorney](#) filing (*i.e.*, a person not the subject of an applicant-signed appointment filed prior to this submission) this form?

WARNING: Answer YES to this question **only** if one of the three requirements set forth in the underlying help text for "newly appearing attorney" has been satisfied. Failure to satisfy one of the three requirements may result in a later determination that this submission is incomplete and/or not in compliance with the minimum filing requirements.

Yes No

9. Do you need to change [correspondence address](#) (includes e-mail address)?

Yes No

10. Do you need to submit a [Signed Declaration](#) to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

Yes No

Entering your argument(s)

1. In the free-text area below, enter your argument(s) in support of registration. You may either type directly into the box, or cut-and-paste from another document into this box.
2. If your browser version supports the enhanced functionality of this section, you can format your entry, using the various editing keys displayed above the text entry area (for font, size, color, bold, italics, etc.). Do **NOT** include any html or other programming code or language that may create links within the argument section.
3. If no editing keys are displayed above the text entry box, then your current browser version does not support the enhanced text-editing functionality. You may wish to upgrade to a higher browser level. You may still use the box for entry of your argument(s), but no formatting beyond conventional spacing will be possible. Again, do **NOT** include any html or other programming code or language that may create links within the argument section.
4. When you have completed entry of your entire argument(s), click on the **"Save and Return to Form"** button, above the text entry box. Do **not** use the "X" button within the browser to close the window, as this may delete all entered information. The form will retain any formatting you have used, viewable through the icons on the Validation page upon completion and validation of this form.
5. At the point of final validation, it is critical to confirm that **all** information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response, e.g., if you initially pasted text into the argument field, but the argument section is now blank, you **must** paste it in again after final validation but before actual submission of the response, or the USPTO will **not** receive that text at all.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Amending the Original Class(es) in the Application

Enter information for the Original Class

- Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.
- Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, a foreign registration certificate, or proof of renewal of a foreign registration. If not checked, the changes will be ignored.

Original International Class : 010

*International Class: (Enter class number 001- 045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization

[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or remove goods/services/the collective membership organization, you may NOT at this point ADD or BROADEN goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services/or broadening the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

- Filing Basis Section 1(a), Use in Commerce:** *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

WARNING: If you filed your original application under Section 1(b), Intent to Use, do **not** use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.

*** CLICK BOX BELOW IF SPECIMENS ARE BEING SUBMITTED OR WERE UNVERIFIED IN THE INITIAL APPLICATION:** If additional or new specimen(s) is/are being submitted, or the originally-submitted specimen(s) was unverified, check the statement immediately below to support the submission (the required declaration will automatically appear at the end of the form).

WARNING: You must select the specimen statement below for the substitute, new, or originally submitted unverified specimen to be acceptable.

"The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application" [for an application based on Section 1(a), Use in Commerce] OR "The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce prior either to the filing of the Amendment to Allege Use or expiration of the filing deadline for filing a Statement of Use" [for an application based on Section 1(b) Intent-to-Use]. OR "The attached specimen is a true copy of the specimen that was originally submitted with the application, amendment to allege use, or statement of use" [for an illegible specimen]. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his or her own knowledge are true and all statements made on information and belief are believed to be true.

Filing Basis Section 1(b), Intent to Use: For a trademark or service mark application: The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods or services specified in the application; the applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date. For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce and had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date. For a certification mark application: The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

WARNING: If your goods/services/collective membership organization for this class is/are already based on Section 1(a), use in commerce, do not also check this basis for the identical goods/services/collective membership organization.

WARNING: If you select this option, additional filing(s) and fee(s) will be required after you begin the required use of the mark in commerce prior to registration. For more information, [click here](#) (see first and second forms on linked page).

For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce; the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date; and the applicant asserts a claim of priority based upon a foreign application. For a certification mark application: The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

- SUPPLEMENTAL REGISTER:** The applicant seeks registration of the mark on the Supplemental Register (i.e., a change of the words 'Principal Register' to 'Supplemental Register').

CONCURRENT USE: Enter the [appropriate concurrent use information](#) in the text box immediately below. **WARNING:** To assert concurrent use, you **must:** (1) have assigned a Section 1(a) filing basis, which indicates you are using, or, if appropriate, exercising legitimate control over the use of, the mark in commerce; AND (2) (i) intend to initiate a legal proceeding before the Trademark Trial and Appeal Board or have obtained a Board determination from a prior proceeding establishing that you are entitled to a concurrent registration; or (ii) have obtained a final court determination establishing your concurrent right to use the same or similar mark in commerce in a limited geographic area.

- MISCELLANEOUS STATEMENT:** Enter information here ONLY if no other section of the form is appropriate. **FAILURE TO FOLLOW THIS INSTRUCTION WILL CAUSE SIGNIFICANT DELAYS IN THE PROCESSING AND REVIEW OF YOUR SUBMISSION.** If you wish to **DELETE (WITHDRAW)** a statement previously submitted, you may indicate that here through an instruction. *e.g.*, "Please delete the disclaimer currently of record."

For collective trademark/service mark/membership applications based on Section 1(a), use of the mark in commerce: If you have not previously submitted an acceptable statement indicating your method of control for all identified classes, use the text box below to indicate your method of control (the following format is suggested: the applicant controls the members use of the mark [indicate method of control, e.g., as specified in the applicant's bylaws or other written provisions, etc.]).

For certification mark applications based on Section 1(a), use of the mark in commerce: If you have not previously submitted an acceptable copy of the applicable certification standards, click on the gray bar below labeled [Click here to Attach/Remove Miscellaneous](#) to attach a copy of the standards that you use to determine whether particular goods or services will, in fact, be certified.

For all certification mark applications: If you have not previously submitted an acceptable statement of the characteristic(s), standard(s), or feature(s) that is (or will be) certified by the mark for all identified classes, use the text box below to enter a statement of the characteristic(s), standard(s), or other feature(s) that you are (or will be) certifying about the identified goods/services. Mark Information

Note: While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound Mark](#)

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

WARNING: The image size cannot exceed 5 megabytes per attachment.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do NOT enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file must include all elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will not be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. **NOTE: Check the box *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.**

Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for ALL marks that are in a special form (i.e., for *any* mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the

mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Adding the New Class(es) in the Application

Enter information for the New Class

*International Class: (Enter class number 001- 045, A, B and 200)

* Listing of Goods/Services/Collective Membership Organization [NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an owner's/holder's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. **WARNING:** If you filed your original application under Section 1(b), Intent to Use, and you now want to assert use, do **not** use this form to submit dates of use and a specimen, *unless responding to a specimen issue created by an already filed Allegation of Use*. Otherwise, you must file the specific [Allegation of Use](#) form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.

WARNING: If your goods/services/collective membership organization for this class is/are already based on Section 1(a), use in commerce, do not also check this basis for the identical goods/services/collective membership organization.

WARNING: If you select this option, additional filing(s) and fee(s) will be required after you begin the required use of the mark in commerce prior to registration. For more information, [click here](#) (see first and second forms on linked page).

On Wed Feb 01 10:58:41 EST 2017 you completed all mandatory fields and successfully validated the form. It has NOT been filed to the USPTO at this point. Please complete all steps below to submit the form.

■ **STEP 1:** Review the Response data, available below in various formats, by clicking on any of the phrases listed under Response Data. Use the print function within your browser to print these pages for your own records.

NOTE: At the point of final validation, it is critical to confirm that **all** information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or image files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete Response. E.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the Response, or the USPTO will not receive that text at all. For information about the "track change" feature used when an identification of goods/services/the collective membership organization is modified,

WARNING: After submission of this form, some characters may be displayed in a manner not exactly identical to what was originally entered, because various USPTO systems cannot display/print certain characters. The USPTO will convert any problematic character(s) to the closest acceptable equivalent(s). For a complete table highlighting which characters will be converted, click [here](#).

Note: If you are using the e-signature approach or the handwritten pen-and-ink signature approach, you must click on the final link to access the specific "text form" for that purpose.

The official e-mail address that the USPTO will use for any communication is whatever appears in the record for that purpose. If necessary, use the Change of Correspondence address form to update an e-mail address, as it will NOT be changed based on the specific entry below.
