**Subject:** Patent: an expensive joke to, the novice!  
**Date:** Sunday, May 12, 2019 10:53:35 AM

---

I too fought the patent system.

I received a design patent, but was denied a utility. An ineffective attorney as well, as an unreasonable and unhelpful examiner has caused the loss of 4 plus years of my life and \$30,000.

I am, of course female and elderly.

My invention would save lives.

No help in that being accomplished.

Patsy Eubank
