SHOW CAUSE ORDER

Dear Mr. Chen:

This letter is to inform you that, for the reasons set forth below, the United States Patent and Trademark Office (USPTO) is considering excluding you from participating as an attorney of record, correspondent, domestic representative, or signatory in any trademark applications or registrations before the USPTO.

The USPTO's records indicate that you have been involved in more than 900 trademark applications or registrations. A list of relevant applications and registrations is attached. These applications and registrations, which belong to various entities and individuals other than you, list you as the attorney of record and/or correspondent for the applicants and registrants. In addition, the following email addresses, which apparently belong to you, were provided in these applications and registrations for the purpose of correspondence: simate_ip@163.com; simateip@163.com; and simate_ip@126.com.

Some of the filings associated with these records, including responses to Office actions, set forth your signature and identify your position as "Attorney of Record." *See, e.g.*, U.S. Application Serial Nos. 86717628, 86813217, and 86817399. And application records show that you have discussed application requirements with examining attorneys and authorized amendments to applications. *See, e.g.*, U.S. Application Serial Nos. 87157745, 87160926, and 87164015.

Under U.S. federal regulations, the only individuals who may represent an applicant or registrant in trademark matters before the USPTO, other than certain previously recognized trademark agents, are (1) attorneys who are licensed to practice in the United States or (2) Canadian agents or attorneys who are authorized by the USPTO to represent applicants located in Canada. *See* 37 C.F.R. §§ 2.17, 11.1, 11.14. Otherwise, foreign attorneys and non-attorneys are not recognized to practice before the USPTO in trademark matters on behalf of others and therefore may not perform any of the following actions: giving advice to an applicant or registrant in contemplation of filing a trademark application or application-related document; preparing or prosecuting an application, response, post-registration maintenance document, or other related document; signing amendments to applications, responses to Office actions, petitions to the Director, requests to change the correspondence address, or letters of express abandonment; or authorizing

issuance of examiner's amendments and priority actions. *See* 37 C.F.R. §§ 11.5(b)(2), 11.14(b); *Trademark Manual of Examining Procedure* (TMEP) §§ 602.01, 608.01.

The information currently available to the USPTO suggests that you are not a properly licensed attorney, and it is unclear whether you are an authorized signatory, as required under 37 C.F.R. § 2.193(e). You appear to be preparing, signing, and filing documents with the USPTO in trademark applications and registrations, or otherwise acting on behalf of others in matters before the USPTO. If so, these actions may constitute the unauthorized practice of trademark law before the USPTO. *See* 37 C.F.R. §§ 2.17(a), 11.5(b)(2), 11.14; TMEP §§ 602, 608.

The unauthorized practice of trademark law before the USPTO is a serious matter and the USPTO will take appropriate actions if it discovers that unauthorized practice is occurring. Under 35 U.S.C. § 3(b)(2)(A), the Commissioner for Trademarks possesses the authority to manage and direct all aspects of the activities of the USPTO that affect the administration of trademark operations. This includes the authority to exclude a person from conducting business in trademark matters before the USPTO, when appropriate. *See* 35 U.S.C. § 3(b)(2)(A).

In view of the foregoing, you are hereby required to show cause why the USPTO should not: (1) cease acceptance of any filings from you in trademark applications or registrations; (2) cease use of your contact information for correspondence purposes; and (3) prohibit participation by you as an attorney, correspondent, domestic representative, or signatory in any trademark applications or registrations before the USPTO. This showing should include evidence that demonstrates the legitimacy of designating you as attorney of record in the relevant applications and of using your correspondence information for purposes relating to trademark applications or registrations.

Your response must be received at the following address within **30 days** of the date of this letter:

U.S. Patent and Trademark Office
Commissioner for Trademarks
Attn: Robert Lavache
600 Dulany Street
Madison Building East, 10th Floor
Alexandria, Virginia 22313-1450

Your response may include a request for additional time to respond; these requests are considered on a case-by-case basis. Failure to provide a timely response to this order will prompt the USPTO to undertake the exclusionary actions described above.

Sincerely,

Mary Boney Denison
Commissioner for Trademarks

Encl.
