Trademark/Service Mark Application, Principal Register

Version 5.8

NOTE: For an instructional video providing an overview of the most important issues you should be aware of when filing a trademark application, [click here](#).

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledging receipt of your submission, which will include the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if

necessary. Also, include the relevant serial number or registration number, if existing.

NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.

- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check the [Trademark Status & Document Retrieval \(TSDR\)](#) system to view current status information, as well as the complete prosecution history. Do **not** attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online via the [TSDR](#) system, including all Office actions sent by the USPTO.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

1. Please select one of the filing options below.

TEAS Reduced Fee (TEAS RF): I am filing a TEAS RF application, with a reduced fee of **\$275 per class** of goods/services. **TEAS RF Requirements:** (1) Provide a valid e-mail address; (2) authorize the USPTO to send e-mail correspondence concerning the application; and (3) agree to use the Trademark Electronic Application System when filing any [relevant application-related submissions](#). Failure to comply with these requirements will incur an additional processing fee of \$125 per class of goods/services.

TEAS Regular: I am filing a TEAS Regular application, with a fee of **\$400 per class** of goods/services. TEAS Regular applicants are strongly encouraged, although not required, to authorize e-mail correspondence and use the Trademark Electronic Application System for subsequent application-related submissions.

2. Is an [attorney](#) filing this application?

Yes No

3. [**OPTIONAL**] To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive. **NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** **NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*.**

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) in one of the following ways: (1) [standard characters](#), if not claiming a particular font, style, size, and/or color; (2) [special form](#), if the mark includes a design or word(s) combined with a design, or is displayed in a particular font, style, size, and/or color; or (3) non-visual sound mark (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER YOU FINISH [SEARCHING](#) THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY [REFUSE TO REGISTER](#) YOUR MARK ON THAT OR ANOTHER BASIS.

If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

WARNING: You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. NOTE: For an instructional video on the importance of selecting the proper mark type, [click here](#).

NOTE: For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing

actual use in commerce of the mark at the time of this filing) should **NOT** be the same files (or, even if different files, should **not** display essentially the exact same thing). The mark image file should **ONLY** show the mark by itself, and **not** a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

For any image that also includes a word(s), letter(s), punctuation, and/or number(s), enter the [LITERAL ELEMENT](#) only of the mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; *i.e.*, if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (*e.g.*, enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) _____ is/are claimed as a feature of the mark.

Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE:** Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a **WARNING** about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

* Enter a complete and accurate [description](#) of the entire mark below, being sure to include **ALL literal elements** and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image. **The mark consists of: (do NOT repeat this language)**

.(end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. You are not required to enter any of these statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. Goods/Services Information

Instructions:

Step 1: Click on the appropriate button, *below*, to indicate whether you wish to create your listing of goods/services by: (1) taking entries directly from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual); or (2) entering your own free-text entry. **NOTE:** Option 1 is recommended, to ensure automatic acceptance of the listing in examination; however, if the entry requires customization through the insertion of free-form text, even Option 1 obviously will not ensure that the listing is automatically accepted.

Step 2: Click on the "Add Goods/Services" button.

Step 3: After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. Your identification of goods/services must be precise and accurate. If using the "Searching IDManual" option, do NOT simply select a listing that is "close" to your goods/services. If you do not find a listing that accurately identifies your goods/services, you may e-mail TMIDSUGGEST@uspto.gov to request that your identification be added to the IDManual, and then wait for the addition before filing. For more information on this process, click [here](#). If your request is not approved or you wish to file immediately, you must use the "Entering Free-form text" option.
2. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form.
3. If you cannot access the IDManual through the "Add Goods/Services" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services" button, please contact TEAS@uspto.gov.

Section 1(b), Intent to Use: The applicant has a bona fide intention, and is entitled, to use the mark in commerce on or in connection with the identified goods/services. **NOTE:** More than one basis may be selected, but do **NOT** claim both Sections 1(a) and 1(b) for the **identical** goods/services in one application. If claiming a Section 1(a) basis, it is **NOT** necessary or appropriate also to claim a Section 1(b) basis for the same goods/services, simply to indicate an intent to *continue* using the mark for those goods/services - the Section 1(a) basis covers this.

I understand that the selection of Section 1(b) "Intent to Use" as the filing basis requires the applicant to do the following before the mark can register: (1) begin using the mark in commerce; and (2) file an Allegation of Use that includes a **specimen** and an **additional fee**. Furthermore, even if the application has already been approved, examination of the Allegation of Use may result in the examining attorney issuing a refusal.

WARNING: If you select this option, additional filing(s) and fee(s) will be required when you begin use of the mark in commerce to receive a registration. For more information, [click here](#) (see first and second forms on linked page).

To electronically sign this application, enter any alpha/numeric characters (letters/numbers) of **your choosing**, preceded and followed by the forward slash (/) symbol. DECLARATION

Read the following statements before signing. Acknowledge the statements by checking the boxes and signing below.

If the applicant is filing the application based on use in commerce under 15 U.S.C. § 1051(a):

- The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
- The mark is in use in commerce on or in connection with the goods/services in the application;
- The specimen(s) shows the mark as used on or in connection with the goods/services in the application; and
- The facts set forth in the application are true.

If the applicant is filing the application based on an intent to use the mark in commerce under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e):

- The signatory believes that the applicant is entitled to use the mark in commerce;
- The applicant has a bona fide intention to use the mark in commerce on or in connection with the goods/services in the application; and
- The facts set forth in the application are true.

To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.

To the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and that all statements made on information and belief are

believed to be true.

This option uses a [Text Form](#) (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. **NOTE:** If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the **Browse/Choose File** button to select file that contains the scanned declaration/signature from your local drive. The scanned file should *only* include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do **not** include the entire application, but do ensure that the boilerplate declaration language appears; *i.e.*, a signature by itself is *not* acceptable absent the required declaration language.

On Wed Jan 25 10:39:13 EST 2017 You completed all mandatory fields and successfully validated the form. It has NOT been filed to the USPTO at this point. Please complete all steps below to submit the application.

NOTE:For an instructional video on the Validation Page, [click here](#).

■ **STEP 1:** Review the application data in various formats, by clicking on the phrases under Application Data. Use the print function within your browser to print these pages for your own records. If the Mark and Specimens appear huge, click [here](#).

Note: It is important that you review this information for accuracy and completeness now. Corrections after submission may not be permissible, thereby possibly affecting your legal rights.

Note: If you are using the e-signature approach or the handwritten pen-and-ink signature approach, you must click on the final link to access the specific "text form" for that purpose.

■ **STEP 2:** If there are no errors and you are ready to file this application electronically, confirm the e-mail address for acknowledgment. Once you submit the form electronically, we will send an electronic acknowledgment of receipt to the e-mail address entered below. If no e-mail address appears, you must enter one. If we should send the acknowledgment to a different e-mail address, or to an additional address(es), please enter the proper address or additional address(es). For **multiple addresses/receipts**, please separate e-mail addresses by either a **semicolon** or a **comma**.

NOTE: This e-mail address is only for the purpose of receiving the acknowledgment that the transmission reached the USPTO, and is not related to the e-mail that will be used for correspondence purposes (although it could be the same address. The official e-mail address that the USPTO will use for any future communication is whatever appears in the specific correspondence section of the form.)

* E-mail for acknowledgment

To ensure we can deliver your e-mail confirmation successfully, please re-enter your **e-mail address(es)** here:

* E-mail for acknowledgment

■ **STEP 3:** To download and save the form data, click on the [Download Portable Data](#) button at the bottom of this page. The information will be saved to your local drive. To begin the submission process with saved data, you must open a new form, and click on the "Browse/Choose File" button displayed on the initial form wizard page, at "**[OPTIONAL] To access previously-saved data, use the "Browse/Choose File" button below to access the file**

from your local drive." REMINDER: Do NOT try to open the saved .obj/.xml form directly. You must return to the very first page of the form, as if starting a brand new form, and then use the specific "Browse/Choose File" button on that page to import the saved file. Clicking on the "Continue" button at the bottom of that first page will then properly open the saved version of your form.

■ **STEP 4:** Read and check the following:

Important Notice:

(1) Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review. This is true regardless of how soon after submission you might attempt to request cancellation of the filing. Therefore, please review **ALL** information carefully prior to transmission.

(2) All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. By filing this application, you acknowledge that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view this information in the USPTO's on-line databases and through internet search engines and other on-line databases. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. To maintain confidentiality of banking or credit card information, only enter payment information in the secure portion of the site after validating your form. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

(3) Be aware that private companies **not** associated with the USPTO often use trademark application and registration information from the USPTO's databases to [mail or e-mail trademark-related solicitations](#) (samples of non-USPTO solicitations included).

If you have read and understand the above notice, please check the box before you click on the **Pay/Submit** button.

■ **STEP 5:** If you are ready to file electronically:

Click on the **Pay/Submit** button *below*, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says **SUCCESS!** Also, we will send an e-mail acknowledgment within 24 hours.

WARNING: Click on the Pay/Submit button **ONLY** if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can **NOT** return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you **must** complete the Pay/Submit process within **30 minutes**. If you are not prepared to complete the process now, you should select the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later. Or, if you have discovered any error, use the "Go Back to Modify" button to make a correction.

WARNING: Fee payments by credit card may **not** be made from 2 a.m. to 6 a.m. Sunday, Eastern Standard Time. If you are attempting to file during that specific period, you **must** use either (1) the deposit account or electronic funds transfer payment method; or (2) the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later for a credit card payment.
