via Fax

SERIAL/REG NO.:

I am submitting documents to the Trademark Petitions Office by fax, according to USPTO instructions. I am including all of the following with this transmission:

- An explanation of the problem I encountered when attempting to file via TEAS, with a signed declaration under Rule 2.20. See TMEP §804.01(b).<sup>1</sup>
  - If the reason I can't file electronically is because I have not yet verified my identity, my explanation will indicate which verification method I attempted (if any) and what issue prevented me from verifying. **I understand that I must complete verification as soon as possible for my submission to be considered timely received by the USPTO.**
- A screenshot of the error message I received when attempting to file via TEAS.
- My document submission.<sup>2</sup>
- A completed credit card payment form for any required fees:
