Trademark/Service Mark Form, Supplemental Register Version 7.1

Watch the "Before you file" TMEN video for an overview of the most important issues to be aware of when filing a trademark application with the USPTO.

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
 2. For help at any point, click on any underlined word on any page.
 3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
 4. Once on the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
 5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or bypassed.
 6. Double-check all entries through the links displayed on the Validation page.
 7. You may save your work for submission at a later time by clicking on the Save Form button at the bottom of the Validation page.
 8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
 9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say "SUCCESS" and will provide your assigned serial number.
 10. An email acknowledgment receipt of the submission (a filing receipt) will be sent to the corresponding email address of record.
- Once you submit this application, the USPTO will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: After this application is submitted, the USPTO will send a filing receipt to the email address of either (A) the appointed attorney, if any; otherwise (B) the trademark applicant owner holder.

Contact Person:

- **General trademark information:** Please review the information posted at [What's New!](#) If you have remaining questions, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to use the electronic forms, or help in resolving technical glitches, please email TEAS@uspto.gov. Please include your telephone number in your email, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing.
- **NOTE:** The TEAS Support Team focuses on problems related to the process of completing the electronic forms, not on other trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** Report any "bugs" found within the electronic forms on the USPTO's website.
- **Status Information:** For an application with an assigned serial number, check the [Trademark Status & Document Retrieval \(TSDR\)](#) system to view current status information, as well as the complete prosecution history. Do not attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view all items listed in the prosecution history section online via the [TSDR](#) system, including all Office actions sent by the USPTO.

TIMEOUT WARNING: After 25 minutes of [inactivity](#), you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have a list of your information ready before you start.

1. Is an attorney filing this application?

Foreign domiciled owners/holders must have a U.S. licensed attorney represent them before the USPTO in any application- or registration-related filing. [Information about hiring a U.S. licensed attorney](#), can be found on the USPTO website.

Yes No

2. **[OPTIONAL]** To upload a previously saved form file, first review the [USPTO TEAS Help Instructions for remote/periodically saved files](#), and then use the "Browse..." button below to access the form file saved on your computer.
WARNING: Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Important: Do NOT use the button below to upload an image file (for example, a specimen). You must use the button that will be processed for that purpose within the proper section of the actual form.

Trademark/Service Mark Form, Supplemental Register Version 7.1

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your **mark** in one of the following ways: (1) **standard characters**, if not claiming a particular font style, size, and/or color; (2) **special form**, if the mark includes a design or word(s) combined with a design, or is displayed in a particular font style, size, and/or color; or (3) non-visual sound mark. (For this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do not upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant owner/holder to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER YOU FINISH SEARCHING THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY REFUSE TO REGISTER YOUR MARK ON THAT OR ANOTHER BASIS.

Watch the [TMIN instructional video on the importance of conducting a search of existing trademarks or service marks before filing your application](#).

* Click the appropriate circle to indicate the Mark type: Standard Characters Special Form (Stylized and/or Design) Sound mark

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do not include the "™", "®", or "©" symbols after the mark entry, because they are not part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

NOTE: For information about mark display in USPTO databases, click [here](#).

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. You are not required to enter any of these statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, the examining attorney assigned to your application will issue a requirement, if appropriate.

Goods/Services Information

Instructions:
Step 1: Click on the appropriate button, below, to indicate whether you wish to create your listing of goods/services by: (1) taking entries directly from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual); or (2) entering your own free-text entry. **NOTE:** Option 1 is recommended because entries in the IDManual are generally acceptable as written; however, if the entry requires customization through the insertion of free-form text, even Option 1 obviously will not ensure that the listing is accepted.
Step 2: Click on the "Add Goods/Services" button.
Step 3: After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

- Your identification of goods/services must be accurate. IDManual entries are generally acceptable as written. If crafting your own identification and using the "Entering Free-form text" option, please note that identifications of goods and/or services must be definite, clear, and concise. See [TMEP §1402.01](#). If you do not find a listing that accurately identifies your goods/services, you may email TMDSP/CGRS37@uspto.gov to request that your identification be considered for addition to the IDManual. If your request is approved, you must wait until the approved identification is added to the IDManual. If your request is not approved or you wish to file immediately, you must use the "Entering Free-form text" option.
- Some entries include instructional language beneath the actual entry, within -> symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form.
- If you cannot access the IDManual through the "Add Goods/Services" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services" button, please contact TEAS@uspto.gov.
TIMEOUT WARNING: After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Watch the [TMD Goods and Services video](#) explaining what is meant by "identification of goods and services", and watch the [TEAS Nuts and Bolts: Goods and Services video](#) for instructions on filling out the Goods/Services page in this application.

TIMEOUT WARNING: Because the session will time out after 30 minutes of inactivity, we recommend selecting and inserting no more than 20 entries at a time. On the next page that displays all of your selections, use the "Add Goods/Services by Searching ID Manual" button to return to the ID Manual to continue the process; repeat this process until all of your items are displayed in the overall listing on the page for assigning a filing basis.

Search for:

Instructions:

Step 1: Enter a word, number, or phrase to search for Goods/Services.

- Search requests can be for a single item (e.g., pants) or multiple items (e.g., pants or shirts or shorts). When multiple terms are entered into the search box, the resulting entries contain all of the searched terms in one or more of the sections of the entries (description, notes, or international class). For example, a search of pants shirts shorts will retrieve only entries that contain all three searched terms in a single record (e.g., Moisture absorbent microfiber textile fabrics for use in the manufacture of athletic apparel, namely, shirts, pants, shorts, jackets, bags, towels and athletic uniforms, in Class 24). To search for entries containing any of two or more searched terms, separate the terms with the word OR (e.g., pants or shirts or shorts). For example, a search of pants or shirts or shorts will return "Shirts," "Pants," "Shorts," "Golf pants, shirts, and skirts," and other entries containing at least one of the searched terms. While also possible to search for goods/services in different classes at the same time (e.g., pants or baseballs), separate searches are recommended. To search for a particular search term in a particular class, enter the search term and the class number in 3-digit format. For example, to search for entries containing the term baseball(s) in Class 28 only, search baseball 028. The form will compile an "overall goods/services list," regardless of the search approach.
- NOTE: Non-ID Manual entries are displayed in the table, e.g., the entry is "sweat" rather than "sweat." While entering the search term "sweat" will return "sweat," it would first be preceded by other terms, e.g., "sweat (sweater)" and "sweat (shirt)".
- To search for an entry consisting of multiple words as a phrase, enclose the complete phrase within quotation marks (" "), e.g., enter "computer programs" to retrieve entries with "computer programs" appearing together in the order typed rather than computer programs.
- To browse the complete listing of entries in a single class, enter the International Class number in three digit format; e.g., to search for all items in International Class 3, enter 003. For International Classes 1-9, the first two digits are 00 and the third digit is the desired class number (e.g., 001 for International Class 1). For International Classes 10-45, the first digit is zero and the second and third digits are the desired class number (e.g., 010 for International Class 10). For a complete list of items in several classes, the class numbers should be separated by the word OR. For example, to return all entries in International Classes 25 as well as 42, enter 025 or 042.
- Entry notes, if any, appear in blue text directly below the description of the goods/services.
- For a listing of all International Class loadings, including a summary of the types of items within each class, click here.
- For more information about using advanced query syntax (e.g., using truncation), click here.

Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all ID Manual entries containing the requested term(s) will be displayed.

NOTE: Because the interfaces for TEAS and the Trademark Acceptable Identification of Goods & Services Manual differ, results for identical searches performed in each may vary slightly, even though both access the same data source.

Since assignment of a filing basis is not a requirement within this form, you can by-pass this step by clicking on the Continue button, below, if necessary.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

Fee Information

The total filing fee is based on the number of classes of the goods/services listed in the application.

In that case, you must manually change the Total Fee Paid amount, using the pull-down box to select the correct fee amount.

Watch the TEAS Nuts and Bolts: Fee/Signature Information video for an explanation of how to fill out the fee and signature information sections.

Payment options: You will have three payment options (credit card, automated deposit account, and Electronic Funds Transfer). These options will appear after completing and validating this form.
