Goods/Services/Collective Membership Organization Information

WARNING: If you recently added or deleted a class(es) of goods/services/collective membership organization, and the correct class(es) are not displayed below, do not use this form. You must wait until the changed data uploads into the USPTO databases, so that the display is correct before proceeding.

WARNING: Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of use on all goods/services for which use is claimed could jeopardize the validity of the registration and result in its cancellation.

Enter information for the Class
