**NOTE:** For an instructional video providing an overview of the most important issues you should be aware of when filing a trademark application, [click here](#).

**To file the application electronically, please complete the following steps:** ☐

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a \* symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Save Form button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an email acknowledging receipt of your submission, which will include the assigned serial number and provide a summary of your submission.

**Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.**

**Important:** ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact [TEAS@uspto.gov](mailto:TEAS@uspto.gov) if you do not receive this acknowledgment within 24 hours of transmission.

## Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, email [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov), or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please email [TEAS@uspto.gov](mailto:TEAS@uspto.gov). Please include your telephone number in your email, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing. □  
NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check the [Trademark Status & Document Retrieval \(TSDR\)](#) system to view current status information, as well as the complete prosecution history. Do **not** attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online via the [TSDR](#) system, including all Office actions sent by the USPTO.

**WARNING:** This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

## 1. Is an [attorney](#) filing this application?

[Foreign-domiciled owners/holders](#) must have a U.S.-licensed attorney represent them before the USPTO in any application- or registration-related filing. [Information about hiring a U.S.-licensed attorney](#) can be found on the USPTO website.

Yes    No

2. [OPTIONAL] To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive. NOTE: For specific instructions, please click [here](#). **FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*.

**NOTE:** For an instructional video explaining how to fill out the Applicant Information page, [click here](#).

Applicant Information	
<b>Note:</b> If there is more than one owner of the mark, complete the information for the first owner, and then click on the "Add Owner" button at the bottom of this page. Repeat, as necessary, for the appropriate listing of all owners. <b>Warning:</b> It is important to determine whether, in fact, the applicants are <a href="#">joint applicants</a> , or some other entity type listed below.	
* <a href="#">Owner of Mark</a>	[If an individual, use the following format: Last Name, First Name Middle Initial or Name, if applicable]
DBA (doing business as)    AKA (also known as) TA (trading as)    Formerly

You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.</p>
<p><b>* <a href="#">City</a></b></p>	<p><b>NOTE:</b> You must limit your entry here to no more than 22 characters.</p>
<p><b>* <a href="#">State</a></b> (Required for U.S. applicant owners/holders)</p>	<p><b>Select State</b> <b>NOTE:</b> You must include as part of the "City" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." ## Trademark/Service Mark Application, Principal Register

### TEAS Plus Application (Version 6.1)

#### Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) in one of the following ways: (1) [standard characters](#), if not claiming a particular font style, size, and/or color; (2) [special form](#), if the mark includes a design or word(s) combined with a design, or **is** displayed in a particular font style, size, and/or color; or (3) non-visual sound mark (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant owner/holder to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

**WARNING:** AFTER YOU FINISH [SEARCHING](#) THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY [REFUSE TO REGISTER](#) YOUR MARK ON THAT OR ANOTHER BASIS.

**NOTE:** For an instructional video on the importance of conducting a search of existing trademarks or service marks before filing your application, [click here](#).

\* Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound mark](#)

**NOTE:** For an instructional video on the importance of selecting the proper mark type, [click here](#).

**NOTE:** For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the  $\square$ , <sup>SM</sup>, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

**NOTE:** For how the USPTO determines what the display of the entered mark will be, click [here](#).

**NOTE:** For information about mark display in USPTO databases, click [here](#)

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example,

a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application**: (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

**NOTE:** For an instructional video explaining how to fill out the Mark Information page, [click here](#).

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

**NOTE:** The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing actual use in commerce of the mark at the time of this filing) should **NOT** be the same files (or, even if different files, should **not** display essentially the exact same thing). The mark image file should **ONLY** show the mark by itself, and **not** a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed). □

no file selected

For any image that also includes a word(s), letter(s), punctuation, and/or number(s), enter the [LITERAL ELEMENT](#) only of the mark here: □

**NOTE:** Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; *i.e.*, if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

\* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (*e.g.*, enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) □ is/are claimed as a feature of the mark.

Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE:** Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

\* Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.  
**The mark consists of: (do NOT repeat this language)**

**. (end period is automatic)**

**NOTE:** A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

**NOTE:** Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application:** (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

The color(s) □ is/are claimed as a feature of the mark.

Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE:** Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

\* Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.  
**The mark consists of: (do NOT repeat this language)**

**. (end period is automatic)**

**NOTE:** A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

**NOTE:** Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application:** (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

**Additional Statement**

To select a statement, enter any required information specific to your mark or, for some statements, check the box in front of the statement. If, after making a selection, you realize that no statement is needed, you must click on the box that produced this section of the form to "uncheck" it, and the entire "Additional Statement" section below will be removed. NOTE: As a general rule, for disclaimers, translations and transliterations, consents, or an explanation of the mark's significance, include only words that are in the mark within quotation marks in the text boxes below.

NOTE: For an instructional video on the Additional Statements section of the form, [click here](#).

**WARNING:** Additional statements are not commonly used and are for special circumstances that only exist in certain applications. Selecting items that do not apply may delay the processing of your application. HOWEVER, for any field below designated with an asterisk (\*), you must make an entry to maintain TEAS Plus status, if applicable within the facts of the application. Failure to do so will result in the examining attorney requiring the payment of an additional \$125 fee per class, because the application will lose its TEAS Plus status.

**DISCLAIMER:** No claim is made to the exclusive right to use \_\_\_\_\_ apart from the mark as shown.

**STIPPLING AS A FEATURE OF THE MARK:** The stippling is a feature of the mark and does not indicate color.

**STIPPLING FOR SHADING:** The stippling is for shading purposes only.

\* **ACTIVE PRIOR REGISTRATION(S):** ☐ The applicant claims ownership of active prior U.S. Registration Number(s) \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_.

(Required if warranted by facts of application.) NOTE: Entry must not include any commas, and must be 7 numerals long (if necessary, add leading 0's to number, e.g., 0086417). ☐

and others: Check here to indicate there are additional active prior U.S. Registration Number(s).

\* **TRANSLATION:** (Required if warranted by facts of application.)

The English translation of \_\_\_\_\_ in the mark is \_\_\_\_\_.

The wording \_\_\_\_\_ has no meaning in a foreign language.

\* **TRANSLITERATION:** (Required if warranted by facts of application.) (NOTE: Not required for any standard character marks.)

The non-Latin characters in the mark transliterate to \_\_\_\_\_ and this means \_\_\_\_\_ in English.

The non-Latin characters in the mark transliterate to \_\_\_\_\_ and this has no meaning in a foreign language.

**MEANING OR SIGNIFICANCE OF WORDING, LETTER(S), OR NUMERAL(S):** ☐

\_\_\_\_\_ appearing in the mark means or signifies or is a term of art for \_\_\_\_\_ in the relevant trade or industry or as used in connection with the goods/services listed in the application.

\_\_\_\_\_ appearing in the mark has no significance nor is it a term of art in the relevant trade or industry or as used in connection with the goods/services listed in the application, or any geographical significance.

The word(s) \_\_\_\_\_ has no meaning in a foreign language.

**INDICATE THE NATURE OF THE §2(f) CLAIM OF ACQUIRED DISTINCTIVENESS** ☐

**§2(f) Whole** ☐ **§2(f) In Part**

\* **NAME(S), PORTRAIT(S), SIGNATURE(S) OF INDIVIDUAL(S):** (Required if warranted by facts of application.)

The name(s), portrait(s), and/or signature(s) shown in the mark identifies \_\_\_\_\_, whose consent(s) to register is made of record.

The name(s), portrait(s), and/or signature(s) shown in the mark does not identify a particular living individual.

**USE OF THE MARK IN ANOTHER FORM:** The mark was first used anywhere in a different form other than that sought to be registered at least as early as \_\_\_\_\_, and in commerce at least as early as \_\_\_\_\_. ☐

NOTE: If the use in another form claim does not relate to all classes in a multiple-class application, specify within the miscellaneous statement section, below, the exact class(es) the claim covers.

\* **CONCURRENT USE:** Enter the [appropriate concurrent use information](#) in the text box immediately below. WARNING: To

assert concurrent use, you **must**: (1) have selected a Section 1(a) filing basis, which indicates you are using your mark in commerce; AND (2) (i) intend to initiate a legal proceeding before the Trademark Trial and Appeal Board or have obtained a Board determination from a prior proceeding establishing that you are entitled to a concurrent registration; or (ii) have obtained a final court determination establishing your concurrent right to use the same or similar mark in commerce in a limited geographic area.

(Required if warranted by facts of application.)

## Trademark/Service Mark Application, Principal Register TEAS Plus Application (Version 6.1)

### Goods/Services Information

#### Instructions:

**Step 1:** Click on the "Add Goods/Services by Searching IDManual" button below to select goods/services from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual).

**Step 2:** After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

#### NOTE:

1. Your selection of goods/services from the IDManual must accurately identify your goods/services. For additional information, see [TMEP Chapter 1400](#). If you do not find a listing that accurately identifies your goods/services, you may email [TMIDSUGGEST@uspto.gov](mailto:TMIDSUGGEST@uspto.gov) to request that your identification be considered for addition to the IDManual. For more information on this process, click [here](#). If your request is approved, you must wait until the approved identification is added to the IDManual. If your request is not approved or you wish to file immediately, you must use either the TEAS Regular or TEAS RF form.
2. The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Instead, search for and select the specific clothing items you wish to include in your application.
3. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form.
4. If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact [TEAS@uspto.gov](mailto:TEAS@uspto.gov).  
**WARNING:** This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed the initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, extend the time limit. You should always try to have all information required to complete the form prior to starting any session.

**WARNING:** The ID manual has a session limit of 30 minutes. If you will be working within the IDManual for an extended period of time, it is critical that you keep your form session "alive." To do so, it is recommended that you select no more than 20 entries at a time, then click the "Insert Check Entries" button. On the next page that displays all of your selections, use the "Add Goods/Services by Searching ID Manual" button to return to the IDManual to continue the process; repeat this process until all of your items are displayed in the overall listing on the page for assigning a filing basis.

**Search for:**

## Instructions:

### Step 1: Enter a word, number, or phrase to search for Goods/Services.

- Search requests can be for a single item (e.g., pants) or multiple items (e.g., pants or shirts or shorts). When multiple terms are entered into the search box, the resulting entries contain *all* of the searched terms in one or more of the sections of the entries (description, notes, or international class). For example, a search of **pants shirts shorts** will retrieve *only* entries that contain all three searched terms in a single record (e.g., Moisture absorbent microfiber textile fabrics for use in the manufacture of athletic apparel, namely, *shirts, pants, shorts*, jackets, bags, towels and athletic uniforms, in Class 24). To search for entries containing any of two or more searched terms, separate the terms with the word OR (e.g., **pants or shirts or shorts**). For example, a search of **pants or shirts or shorts** will return "Shirts," "Pants," "Shorts," "Golf *pants, shirts, and skirts*," and other entries containing at least one of the searched terms. While also possible to search for goods/services in different classes at the same time (e.g., **pants or baseballs**), separate searches are recommended. To search for a particular search term in a particular class, enter the search term and the class number in 3-digit format. For example, to search for entries containing the term baseball(s) in Class 28 only, search **baseball 028**. The form will compile an "overall goods/services list," regardless of the search approach..

**NOTE:** Most ID Manual entries are displayed in the plural. e.g., the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, e.g., "soup tureens" and "soup mixes."

- To search for an entry consisting of multiple words as a phrase, enclose the complete phrase within quotation marks (" "); e.g., enter **"computer programs"** to retrieve entries with "computer programs" appearing together in the order typed rather than **computer programs**.
- To browse the complete listing of entries in a single class, enter the International Class number in three digit format; e.g., to search for all items in International Class 3, enter **003**. For International Classes 1-9, the first two digits are **00** and the third digit is the desired class number (e.g., 001 for International Class 1). For International Classes 10-45, the first digit is zero and the second and third digits are the desired class number (e.g., 010 for International Class 10). For a complete list of items in several classes, the class numbers should be separated by the word OR. For example, to return all entries in International Classes 25 as well as 42, enter **025 or 042**.
- Entry notes, if any, appear in blue text directly below the description of the goods/services.
- For a listing of all International Class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (e.g., using truncation), click [here](#).

### Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all ID Manual entries containing the requested term(s) will be displayed.

**NOTE:** Because the interfaces for TEAS and the *Trademark Acceptable Identification of Goods & Services Manual* differ, results for identical searches performed in each may vary slightly, even though both access the same data source.

The applicant requests that the trademark/service mark identified on the preceding page be registered with the USPTO on the Principal Register for the class(es) and goods/services displayed below, and asserts herein the specific basis(es) that covers the listed goods/services.

#### Instructions for assigning filing basis(es):

For each of the items listed in the chart below, you may assign a specific filing basis, or if appropriate, multiple bases. **Section 1(a)**, Use in Commerce: The applicant is using the mark in commerce on or in connection with the identified goods/services. The applicant attaches, or will later submit, one specimen as a JPG/PDF image file showing the mark as used in commerce on or in connection with any item in the class of listed goods/services, regardless of whether the mark itself is in the standard character format or is a stylized or design mark. The specimen image file may be in color, and the image must be in color if color is being claimed as a feature of the mark.

**NOTE: The specimen must show the mark as actually used in commerce.** Examples of specimens for goods include tags, labels, instruction manuals, containers, and photographs that show the mark on the actual goods or packaging, or displays associated with the actual goods at their point of sale. Webpages may also be specimens for goods when they include a picture or textual description of the goods associated with the mark and the means to order the goods. Examples of specimens for services include advertising and marketing materials, brochures, photographs of business signage and billboards, and website printouts that show the mark used in the actual sale, rendering, or advertising of the services.

**For an instructional video on what is an appropriate trademark or service mark specimen for a good or service, [click here](#).**

**NOTE:** For attachment, the JPG/PDF image file(s) or sound/motion file(s) showing the specimen(s) must be on your local drive. A specimen should NOT be: (1) the same file used in the mark section; or (2) a newly-created file that shows only the mark by itself. (*Reminder:* Within the earlier mark section, if you attached an image file for a stylized/design mark or a sound/motion file, you must ensure that it only shows the mark by itself, and does not display anything that would not truly be considered part of the actual mark, e.g., a scan of a complete business card would not be an acceptable mark image, although it may be an acceptable specimen).

<b>* <a href="#">Attach Specimen</a></b>	Check this box if you are attaching a color specimen. <b>NOTE:</b> Check only if you believe your specimen is in color, yet you received after clicking the "CONTINUE" button a WARNING about lack of color within the specimen; otherwise, do not check this box, because the attached image was automatically accepted as color.

**Section 1(b)**, Intent to Use: The applicant has a bona fide intention, and is entitled, to use the mark in commerce on or in connection with the identified goods/services**NOTE: More than one basis may be selected, but do NOT claim both Sections1(a) and 1(b) for the identical goods/services in one application. If claiming a Section 1(a) basis, it is NOT necessary or appropriate also to claim a Section 1(b) basis for the same goods/services, simply to indicate an intent to continue using the mark for those goods/services - the Section 1(a) basis covers this.**

I understand that the selection of Section 1(b) "Intent to Use" as the filing basis requires the applicant to do the following before the mark can register: (1) begin using the mark in commerce; and (2) file an Allegation of Use that includes a **specimen** and an **additional fee**. Furthermore, even if the application has already been approved, examination of the Allegation of Use may result in the examining attorney issuing a refusal.□

**WARNING:** If you select this option, additional filing(s) and fee(s) will be required when you begin use of the mark in commerce to receive a registration. For more information, [click here](#) (see first and second forms on linked page).

At this time, the applicant has another basis for registration (Section 1(a) or Section 1(b)) and does NOT intend to rely on Section 44(e) as the basis for registration, but is only asserting a valid claim of priority.
