STEP 3. REVIEW ALL QUESTIONS BELOW AND SELECT THE APPROPRIATE RADIO BUTTON. At least one answer must be 'Yes' or 'No'.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no supporting evidence, without specifying the exact changes, is not a proper Office action (except if the only issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration).

1. Do you need to respond to a refusal to register your mark, including (but not limited to) a possible finding that your mark appears to be likely to cause confusion with another mark(s)?
   - merely descriptive (or generic) or deceptively misdescriptive
   - primarily merely a surname
   - geographically descriptive or geographically deceptively misdescriptive
   - deceptive
   - functional
   - multiple marks instead of a single mark
   - a protected symbol (e.g., a flag, the Red Cross)
   - used in a manner that would not be perceived as actually being a trademark/servicemark

You must answer "Yes" to this question to submit your arguments against the refusal, and if necessary, attach supporting evidence, to convince the examining attorney to withdraw the refusal.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.

☐ Yes ☐ No

2. Do you need to do any of the following:
   - change/delete an existing class number*
   - modify the identification of goods/services/the nature of the collective membership organization**
   - change filing basis
   - add/modify dates of use
   - submit a new or substitute specimen
   - submit a foreign registration certificate or proof of renewal of foreign registration

*NOTE: To ADD a new class, answer "Yes" to #6, and to pay fee(s) for additional class(es), answer "Yes" to #7.

**NOTE: You may only modify the identification of goods/services/collective membership organization to clarify or limit them; adding or broadening the scope of goods/services/collective membership organization is not permitted.

☐ Yes ☐ No

3. Do you need to add or delete (withdraw) any of the following:
   NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, even when only one is appropriate and selected.
   - Disclaimer
   - Colors claimed as feature of the mark
   - Description of the mark (including nature and location of color(s), if appropriate)*

6. Do you need to ADD a new class(es) of goods/services/a collective membership organization?

**NOTE:** You may not add class(es), goods/services, or any descriptive language to an identification that would result in a broadening of the current identification of goods/services/the nature of the collective membership organization.

**NOTE:** To pay the fee(s) for adding class(es), answer "Yes" to #7. To change an existing classification number or delete goods/services membership organization, answer "Yes" to #2.

Listing of Goods/Services/Collective Membership Organization
[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may cause the listing of goods/services or description of the collective membership organization beyond the scope of that in the current identification. WARNING: Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, if you lack the bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which a filing is made, the validity of the resulting registration could be jeopardized.

☐ Filing Basis Section 1(a), Use in Commerce: For all applications: The mark is in use in commerce and was in use in commerce as of the filing date, provided specimen shows the mark in use in commerce (see specimen statement below).
For a collective trademark, collective service mark, mark, or certification mark application: The applicant is exercising legitimate control over the use of the mark in commerce and was in use in commerce as of the filing date.
For a certification mark application: The applicant is engaged in the promotion or certification of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services or certification standards of the applicant.
WARNING: If you file your original application under Section 1(b), intent to use, do not use this form and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use (Statement of Use/Amendment to Allegate Use). Filing an Allegation of Use is not a proper response to an Office action.
