Post-Approval/Publication/Post-Notice of Allowance (NOA) Amendment
TEAS - Version 7.6

For more information regarding any of the following questions or topics, either go to [HELP](#) or click on the underlined word. You may use the following Post-Publication Amendment form *only* to:

- File a proposed amendment to an application that: (1) the examining attorney has approved for publication; or (2) has already published for opposition but where the registration certificate or notice of allowance has neither been prepared for issuance nor actually issued. This form may be used if an *extension of time* to file a Notice of Opposition has been filed, but not when a Notice of Opposition has been filed.

WARNING: Any post-publication amendment must be submitted and *processed* at least twenty (20) days before the scheduled registration date or mailing date of the notice of allowance. If the mark is scheduled to register, after registration you may file the proposed amendment as a [Section 7 Request Form](#). If the notice of allowance has issued or is scheduled to be issued, you may submit the proposed amendment when filing the statement of use. For more information about the post-publication amendment process, click the appropriate category below:

- [Amendment acceptable and no republication of the mark required](#)
- [Amendment acceptable but republication of the mark required](#)
- [Amendment not acceptable](#)
- [Post-Publication amendment to basis](#)
- [Amendment of application after notice of allowance issues](#)

TIMEOUT WARNING: You're required to log back in after 30 minutes of [inactivity](#). This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Required fields are indicated with an asterisk (*). A declaration will automatically appear at the end of the actual form in appropriate instances, which must be signed if a "#" symbol precedes a specific item listed on the form by someone who is a "proper party to sign on behalf of applicant" under [Trademark Rule 2.33](#). If not required, the declaration may simply be left unsigned. However, the information for the Post-Publication Amendment signature section must always be entered.

STEP 1: Enter serial number or access saved form:

* [Serial Number:](#)

(required only if preparing a Post-Publication Amendment for the first time; if you have already saved a form, use the option below)

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Do **NOT** upload or attach any other file(s) (for example, a specimen or foreign registration certificate) using the button below. You must upload other attachments within the proper section of the actual form, after answering "Yes" to the appropriate wizard question(s) on the next page.

Important: Once this form is submitted electronically, an email acknowledging receipt of the submission will be sent to the Primary Email Address for Correspondence. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission, or by the next business day, whichever is later.

CONTACT:

For **general trademark information or help navigating the forms**, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199 (press 1).

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the Post-Publication Amendment form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
 1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.

☐ Yes ☒ No

2. Do you need to add or delete (withdraw) any of the following:
NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, *even when only one is appropriate and should be selected.*

- Consent to register name(s), likeness(es), signature(s) of individual(s)
- Concurrent use claim
- Miscellaneous statement**

*NOTE: Do **not** use this section if you are also answering "Yes" to Question #4, *below*, which will then provide this field. Use this **only** if adding or modifying an existing description *but not attaching a new mark image*.
NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do **not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #3, *above*. This field may also be used to request **DELETION (WITHDRAWAL)** of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

☒ Yes ☐ No

3. Do you need to submit a new drawing of the mark, either to [change the mark](#) itself or [submit a better quality image](#)?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are *sometimes* permitted. A drawing must be in JPG format.

☒ Yes ☐ No

4. Do you need to correct or change the [owner's/holder's name or entity information](#) or update the owner's/holder's mailing address, email address, phone or fax number(s)?

NOTE: The email address of the trademark owner/holder is the **Primary Email Address for Correspondence** if an attorney is NOT appointed. **Secondary Email Address(es)** for courtesy copies can be provided.

☒ Yes ☐ No

5. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization due to a deficiency in the initial application and/or (2) processing a [payment](#) that has been refused or charged back?

☒ Yes ☐ No

6. Is a [newly appearing U.S.-licensed attorney](#) filing this form or do you need to update the bar information, email address, street address, phone or fax number for an already appointed attorney?

[Foreign-domiciled owners /holders](#) must have a U.S.-licensed attorney represent them before the USPTO in any application-or registration-related filing. Information about hiring a U.S.-licensed attorney can be found on the USPTO website.

☒ Yes ☐ No

7. Do you need to submit a [Signed Declaration](#) to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

☒ Yes ☐ No

[EXPLANATION OF FILING](#)

NOTE: You must include as part of this filing an explanation for why a post-publication amendment is needed, and a brief statement as to what change is being requested (although you must then use the appropriate section of the form to make the actual change).

Entering your argument(s)

1. In the free-text area below, enter your argument(s) in support of registration. You may either type directly into the box, or cut-and-paste from another document into this box.
2. If your browser version supports the enhanced functionality of this section, you can format your entry, using the various editing keys displayed above the text entry area (for font, size, color, bold, italics, etc.). Do NOT include any html or other programming code or language that may create links within the argument section.
3. If no editing keys are displayed above the text entry box, then your current browser version does not support the enhanced text-editing functionality. You may wish to upgrade to a higher browser level. You may still use the box for entry of your argument(s), but no formatting beyond conventional spacing will be possible. Again, do NOT include any html or other programming code or language that may create links within the argument section.
4. When you have completed entry of your entire argument(s), click on the "Save and Return to Form" button, above the text entry box. Do not use the "X" button within the browser to close the window, as this may delete all entered information. The form will retain any formatting you have used, viewable through the icons on the Validation page upon completion and validation of this form.
5. At the point of final validation, it is critical to confirm that all information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response, e.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.

When you have completed entry of your entire argument(s) below, click on this button. Do not use the "X" button within the browser to close the window, as this may delete all entered information.

Attachments

Click on the 'Click here to Attach Evidence' button below to select the file from your computer. Visit the USPTO's website for [information on acceptable file sizes and formats](#).

Instructions: Attach **ONLY** supporting evidence here, not your entire petition. Each portion of this form serves a specific purpose for data processing reasons. Failure to follow this instruction will cause significant delays in the processing and review of your filing.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Enter information for the Original Class

☐ Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.

☐ Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, foreign registration certificate, or proof of renewal of the foreign registration. If not checked, the changes will be ignored.

Original International Class :

*International Class: (Enter class number 001- 045, A, B and 200)

WARNING: To be approved and not require any republication, any amendment must be consistent with the current version of the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*.

*Listing of Goods/Services/Collective Membership Organization

WARNING: You may only restrict or delete items in the existing identification; adding goods/services/a collective membership organization outside the scope of the original identification or otherwise broadening the scope of the identification is **not** permissible.

[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or remove goods/services/the collective membership organization, you

may NOT at this point ADD or BROADEN goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services/or broadening the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

[illegible]

WARNING: To add or substitute a basis to an application that is not the subject of an *inter partes* proceeding before the Trademark Trial and Appeal Board, you must petition to the Director to restore jurisdiction of the application to the examining attorney to consider the amendment. *See* 37 C.F.R. §2.84(a) (no petition is required if there is an *inter partes* proceeding). If the Director grants the petition, and the examining attorney accepts the added/substituted basis, the mark must be republished.

Mark Update

Note: While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground.

☐ If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

Click the appropriate circle to indicate the Mark type: ☐ [Standard Characters](#) ☐ [Special Form \(*Stylized and/or Design*\)](#) ☒ [Sound Mark](#)

Click on the "Browse/Choose File" button to select the sound file (.WAV, .WMA, .MP3, or .AVI file) from your local drive.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do **NOT** enter any word(s), letter(s), and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for *any* mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

Click the appropriate circle to indicate the Mark type: ☒ [Standard Characters](#) ☐ [Special Form \(*Stylized and/or Design*\)](#) ☐ [Sound Mark](#)

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no** design element **and** without claim to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

NOTE: After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "**Special Form (*Stylized and/or Design*)**" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).

* Click the appropriate circle to indicate the Mark type: ☒ [Standard Characters](#) ☐ [Special Form \(*Stylized and/or Design*\)](#) ☐ [Sound Mark](#)

This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

WARNING: The image size cannot exceed 5 megabytes per attachment.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s)  is/are claimed as a feature of the mark

The color(s)  is/are claimed as a feature of the mark.

☐ If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. **NOTE:** Check the box *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

 (end period is automatic)

 . (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for **any** mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.
