Response to Suspension Inquiry or Letter of Suspension

TEAS - Version 8.1

Please enter the serial number of the pending application for which you wish to respond to a Suspension Inquiry or Letter of Suspension. Then, click on the CONTINUE button, below. **NOTE:** You **must** respond to a Suspension Inquiry by the deadline indicated in the Suspension Inquiry. If the deadline in the Suspension Inquiry is not known, please access the USPTO website at TSDR System, insert the application serial number, and view the applicable prosecution history event.

Although not required, you **may** use this form to respond to an actual Letter of Suspension, to present arguments in favor of removal of the application from suspension. The Applicant's election not to present argument during suspension will not affect the applicant's right to present argument later should a refusal, in fact, issue at a later point. If a refusal does issue, the applicant must respond by the deadline indicated in that Office action. Within this form, you may also enter additional data to satisfy an existing requirement(s) or other matter if appropriate, for example, to amend the listing of goods/services/the nature of the collective membership organization or enter a disclaimer.

**TIMEOUT WARNING:** You're required to log back in after 30 minutes of inactivity. This ensures the USPTO complies with mandatory federal information security standards and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Required fields are indicated with an asterisk (*).

**TO ACCESS THE RESPONSE FORM:**
**STEP 1:** CHECK STATUS.
To use this form, the "Current Status" of your application must be either "An Office action suspending further action on the application has been sent (issued) to the applicant" or "A suspension inquiry has been sent (issued) to the applicant." Use the Trademark Status & Document Retrieval (TSDR) to confirm the status before proceeding. If the application is not in the correct status, you must wait until the status is updated (usually 48-72 hours after receiving an email notice that an Office action has issued). Otherwise, you will receive an error message when you click the "Continue" button at the bottom of the page.

**STEP 2:** ENTER APPLICATION SERIAL NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.
To upload a previously saved form file, first review the TEAS Help instructions for accessing previously saved data and then use the "Browse..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

**NOTE:** This button should **not** be used to attempt to upload or attach any other file, for example, a specimen file or a foreign registration certificate. For these or any other types of attachments, after answering "Yes" to the appropriate wizard question(s), you can then attach the file within the specific part of the form relating to that issue.

**CONTACT:**
For general trademark information or help navigating the forms, email **TrademarkAssistanceCenter@uspto.gov**, or telephone 1-800-786-9199 (press 1).

If you need help resolving **technical glitches**, email **TEAS@uspto.gov**. Please include in your email your phone number, serial or registration number, and a screenshot of any error message you may have received.

**Tips:**

- Use the **Continue** button at the bottom of each page to move through the form. Fill out all fields for which information is known. Fields with a * symbol are mandatory and must be completed.

- Choose a signature method for signing the form on the Signature Page.

- Review the data you entered by accessing the Input Table on the Validation Page. Confirm that all information is displayed properly. Return to the appropriate section of the form and make any needed corrections before submission of the response.

- Click on the **Pay/Submit button** at the bottom of the Validation Page and provide the payment required (if any) to submit the form. When successful you will be navigated to a confirmation screen.

- An email acknowledging receipt of the submission (a filing receipt) will be sent to the Primary Email Address for Correspondence

**Status Check:**
- The status of the filing is available in the [Trademark Status & Document Retrieval System (TSDR)](TSDR) 72 hours after filing.

- [ ] Pending Serial Number(s)

STEP 4: TO ADDRESS ANY OTHER ISSUE, ANSWER "YES" TO THE APPROPRIATE WIZARD QUESTION.

NOTE: IF NO OTHER ISSUE MUST BE ADDRESSED, SKIP TO STEP 5

You should review the action and then answer "Yes" to any question that directly relates to a requirement raised in the action. You must respond explicitly to each requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application without specifying the exact changes, is not a proper response to the Office action (except if the only issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to do any of the following:
   - change/delete an existing class number*
   - modify the identification of goods/services/the nature of the collective membership organization **
   - change filing basis
   - add/modify dates of use
   - submit a new or substitute specimen
   - submit a foreign registration certificate or proof of renewal of the foreign registration

   *NOTE: To ADD a new class, answer "Yes" to #5, and to pay fee(s) for additional class(es), answer "Yes" to #6.

   **NOTE: You may only modify the identification of goods/services/the nature of the collective membership organization to clarify or limit them; adding to or broadening the scope of the goods/services/nature of the collective membership organization is not permitted.

☐ Yes ☑ No

2. Do you need to add or delete (withdraw) any of the following:
   NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, even when only one is appropriate and should be selected.
   - Disclaimer
   - Colors claimed as feature of the mark
   - Description of the mark (including nature and location of color(s)), if appropriate)*
   - Stippling statement
   - Claim of prior registration(s)
• Translation/Transliteration
• Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
• Section 2(f) claim
• Consent to register name(s), likeness(es), signature(s) of individual(s)
• Supplemental Register amendment
• Concurrent use claim
• Miscellaneous statement**

*NOTE: Do not use this section if you are also answering "Yes" to Question #3, below, which will then provide this field. Use this only if adding or modifying an existing description but not attaching a new mark image.

**NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #1, above. This field may also be used to request DELETION (WITHDRAWAL) of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

☐ Yes  ☐ No

3. Do you need to submit a new drawing of the mark, either to change the mark itself or submit a better quality image?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are sometimes permitted. A drawing must be in JPG format.

☐ Yes  ☐ No

4. Do you need to correct or change the owner's/holder's name or entity information or update the owner's/holder's mailing address, email address, phone or fax number(s)?

The email address of the trademark owner/holder is the Primary Email Address for Correspondence if an attorney is NOT appointed. Secondary Email Address(es) for courtesy copies can be provided.

☐ Yes  ☐ No

5. Do you need to add a new class(es) of goods/services/a collective membership organization?

NOTE: You may not add class(es)/goods/services, or any descriptive language in an identification that would result in a broadening of the scope of the current identification of goods/services/the collective membership organization.

NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #6. To change an existing classification number or delete goods/services, answer "Yes" to #1.

☐ Yes  ☐ No
If the answer is Yes, enter the number of

classes:

6. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a
collective membership organization due to a deficiency in the initial application and/or
(2) processing a payment that has been refused or charged back?

☐ Yes ☐ No

7. Is a newly appearing U.S.-licensed attorney filing this form or do you need to update
the bar information, email address, street address, phone or fax number for an already
appointed attorney?

Foreign-domiciled owners/holders must have a U.S.-licensed attorney represent
them before the USPTO in any application-or registration-related filing. Information
about hiring a U.S.-licensed attorney can be found on the USPTO website.

☐ Yes ☐ No

8. Do you need to submit a Signed Declaration to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly
signed, or lacked the required declaration language.

Click on the "Continue" button below to access the form for entering your information.

* PENDING SERIAL NUMBER(S)

Serial number(s) should not be used as a citation(s) under Section 2(d), in
the event that said serial number(s) mature(s) into a registration(s). I hereby request removal of
this application from suspension, based on the following arguments. If the examining attorney is
not persuaded by these arguments, I hereby request that this application be returned to suspended
status, awaiting ultimate disposition of the referenced serial number(s).

Serial number(s) should not be used as a citation(s) under Section 2(d)
because the applicant herein claims ownership of the referenced serial number(s), supported by a
declaration. I hereby request removal of this application from suspension. If the examining
attorney is not persuaded by this ownership claim, I hereby request that this application be
returned to suspended status, awaiting ultimate disposition of the referenced serial
number(s). You may only use this option if, under oath, you are able to attest to the ownership, based on facts that clearly support your claim
of ownership. A declaration at the end of the form will specifically be provided for this
purpose.
NOTE: You are not required to submit arguments at this time, and you may choose to have this application remain in a suspended status until disposition of the referenced serial number(s); however, you may present arguments if you believe the examining attorney will be convinced to remove the application from suspended status and continue prosecution (i.e., you do not want to wait for the prior-filed application(s) to register before determining whether a Section 2(d) refusal is warranted).

The applicant's election not to present arguments during suspension will not affect the applicant's right to present arguments later should a refusal in fact issue. If an Office action with a refusal does ultimately issue, the applicant will be afforded the amount of time specified in the Office action to submit a response.

Use the options below to submit statements and argument(s) related specifically to the pending serial number(s).

**OR/AND**

The referenced serial number(s) has/have now abandoned/cancelled/expired.
I am requesting removal of this application from suspension for consideration by the examining attorney.

The referenced serial number(s) has/have now registered. I am requesting removal of this application from suspension, for consideration by the examining attorney of the issue of likelihood of confusion under Section 2(d).

*FOR FOREIGN APPLICATION(S)*

The foreign application(s) No(s), which forms the basis for a priority claim under Section 44(d) has/have not yet matured into a registration in the applicant's country of origin. I hereby request that the application be re-suspended.

The foreign application(s) No(s), which forms the basis for a priority claim under Section 44(d) has/have now registered; however, because the country of origin has not yet formally issued the actual registration certificate, it cannot be provided at this time to the USPTO.

The foreign application No(s), has/have now abandoned. I hereby request removal of this application from suspension for further action by the examining attorney.

☐ The applicant herein elects NOT to proceed to registration under Section 44(e). The claim of priority previously made under Section 44(d) will be retained in the USPTO's records.

Use the below for comments/remarks related specifically to the foreign application(s).

**OR/AND**
The applicant herein submits a true copy, photocopy, certification, or certified copy of a registration in the applicant's country of origin showing that the mark has been registered in that country, and that the registration is in full force and effect. If the record indicates that the relevant foreign registration has expired, or will expire before the United States registration will issue, a true copy, photocopy, certification, or certified copy of a proof of renewal from the intellectual property office of the foreign country, or a true copy, photocopy, certification, or certified copy of the foreign registration, that shows that the foreign registration has been renewed and will be in force at the time the registration issues in the United States must be submitted. If the foreign registration and/or proof of renewal is/are not in English, an English translation thereof must be submitted. I hereby request removal of this application from suspension for further action by the examining attorney.

Deletion of Section 1(b) basis

☐ The applicant requests that the examining attorney delete the Section 1(b) basis for the goods/services/collective membership organization that the foreign registration submitted herewith covers, if the Section 44(e) basis is accepted for those goods/services/collective membership organization.

**WARNING:** If this box is NOT checked, then the designation of the mark as "Standard Mark" will automatically be changed from "YES" to "NO."

*Registration had been refused under Section 2(d), based on the cited registration(s). However, registration maintenance documents were due to be filed for the cited registration(s). It is now believed that these registration maintenance documents were not timely filed, and that the cited registration(s) has been or will be canceled under Section 8 or has expired or will expire under Section 9 and will no longer present a bar to registration under Section 2(d). CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Amending the Original Class(es) in the Application

Enter information for the Original Class

☐ Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.

☐ Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, foreign registration certificate, or proof of renewal of a foreign registration. If not checked, the changes will be ignored.
Original International Class:

*International Class: 001 (Enter class number 001-045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization
Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization. For more information about acceptable language for the goods and/or services, see the USPTO's on-line Goods and/or Services Manual. If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

**WARNING:** Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

**WARNING:** Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

☐ **MISCELLANEOUS STATEMENT:**

- **For collective trademark/service mark/membership applications based on Section 1(a), use of the mark in commerce:** If you have not previously submitted an acceptable statement indicating your method of control for all identified classes, use the text box below to indicate your method of control (the following format is suggested: "the applicant controls the members' use of the mark [indicate method of control, e.g., as specified in the applicant's bylaws or other written provisions, etc."]").

- **For certification mark applications based on Section 1(a), use of the mark in commerce:** If you have not previously submitted an acceptable copy of the applicable certification standards, click on the grey bar below labeled "Click here to Attach/Remove Miscellaneous" to attach a copy of the standards that you use to determine whether particular goods or services will, in fact, be certified; and/or (as applicable).

- **For all certification mark applications:** If you have not previously submitted an acceptable statement of the characteristic(s), standard(s), or feature(s) that is (or will be) certified by the mark for all identified classes, use the text box below to enter a statement of the characteristic(s), standard(s), or other feature(s) that you are (or will be) certifying about the identified goods/services. The following format is suggested: "The certification mark, as used or intended to be used by persons authorized by the certifier, certifies or is intended to certify that the goods and/or services provided have [specify]."
Mark Information

Note: While minor changes in the mark are sometimes permitted, any material alteration will NOT be permitted and will result in a refusal being issued on that ground.

☐ If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type:

☐ Standard Characters ☐ Special Form (Stylized and/or Design) ☐ Sound Mark

Click on the "Browse/Choose File" button to select a properly-sized JPG image file (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you must submit a color image; otherwise, the image must be clear black and white. After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form. WARNING: The image size cannot exceed 5 megabytes per attachment.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do NOT enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file must include all elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the literal element field that is not found in the attached image file will not be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, grey, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

☐ If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. NOTE: Check the box only if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.

Enter a complete and accurate description of the entire mark below, being sure to include ALL literal elements and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, grey, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design.
element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

NOTE: A description of the mark is required for ALL marks that are in a special form (i.e., for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., “the letter C.” The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the “literal element” field, above. Also, for any color mark, the description of the mark must include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., “a bird with a red body, blue wings, and yellow beak.”

NOTE: Do NOT include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, NOT an upper-case, letter.

| **CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION** | Adding New Class(es) to the Application |

Enter information for the New Class

*International Class:  (Enter class number 001-045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization [NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's online Goods and/or Services Manual. If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

**WARNING:** Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

**WARNING:** Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

**Filing Basis Section 1(a), Use in Commerce:** For all applications: The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below).

For a collective trademark, collective service mark, collective membership mark or certification mark application: The
applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. For a certification mark application: The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. NOTE: If the original application was filed under Section 1(b), Intent to Use, and you want to now assert use, do not use this form. Instead, you must file an Allegation of Use form.

**Specimen File**

Watch the TMIN video explaining what is meant by the term "specimen". Visit the USPTO's website for information on acceptable file sizes and formats.

**Instructions:**

Attach ONLY the specimen here, not the entire response to Office action. Each portion of this form serves a specific purpose for data processing reasons. Failure to follow this instruction will cause significant delays in the processing and review of your filing.

Check this box if you are mailing a non-traditional specimen using USPS because it meets the qualifications explained in the hyperlink. Sound and motion specimens are not non-traditional and MUST be submitted using this form. Failure to submit a required specimen through TEAS may result in processing delays and additional fees.

* CHECK BOX BELOW IF SPECIMENS ARE BEING SUBMITTED OR WERE UNVERIFIED IN INITIAL APPLICATION: If an additional or new specimen(s) is being submitted, or if the originally-submitted specimen(s) was unverified, check the statement immediately below to support the submission (the required declaration will automatically appear at the end of the form).
WARNING: You must select the specimen statement below for the substitute, new, or originally submitted unverified specimen to be acceptable.

☐ "The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application" [for an application based on Section 1(a), Use in Commerce] OR "The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce prior either to the filing of the Amendment to Allege Use or expiration of the filing deadline for filing a Statement of Use" [for an application based on Section 1(b) Intent-to-Use] OR "The attached specimen is a true copy of the specimen that was originally submitted with the application, amendment to allege use, or statement of use" [for an illegible specimen]. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his or her own knowledge are true and all statements made on information and belief are believed to be true.

☐ Filing Basis Section 1(b), Intent to Use: Filing Basis: Section 1(b), Intent to Use: For a trademark or service mark application: The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods or services specified in the application; the applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date. For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce and had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date. For a certification mark application: The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

WARNING: Do NOT check the box to add a Section 1(b) filing basis if your goods/services/collective membership organization for this class is/are already based on Section 1(a), use in commerce. Filing under Use and Intent to Use is not permitted for the same goods/services/collective membership organization.

Additional Filings:
Fee(s) will be required to file either the Statement of Use form or Extension Request, prior to registration, after you begin the required use of the mark in commerce.

☐ Filing Basis Section 44(d), Priority based on foreign filing: For a trademark or service mark application: The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods/services specified in the application; the applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date; and the applicant asserts a claim of priority based upon a foreign application. For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce; the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date; and the applicant asserts a claim of priority based upon a foreign application. For a certification mark application: The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

Foreign Application Number

Note: The USPTO database can only store 19 characters for this field. You should adjust your entry if possible, eliminating any unnecessary leadings 0s or country abbreviations, for example.
At this time, the applicant intends to rely on Section 44(e) as a basis for registration. If ultimately the applicant does not rely on Section 44(e) as a basis for registration, a valid claim of priority may be retained.

At this time, the applicant has another basis for registration (Section 1(a) or Section 1(b)) and does NOT intend to rely on Section 44(e) as the basis for registration, but is only asserting a valid claim of priority.

Filing Basis Section 44(e). Based on Foreign Registration: For all applications: The applicant attaches a copy of the foreign registration certificate or proof of renewal of such registration, and an English translation if such documents are in a foreign language. For a trademark or service mark application: The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods/services specified in the application; the applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date. For a collective trademark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce; and the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date.
