**Allegation of Use**  
**(Statement of Use/Amendment to Allege Use)**  
**(15 U.S.C. §1051(c) or (d))**  
**TEAS - Version 7.6**

You may file an Allegation of Use ONLY *before* the application to register the mark has been approved for publication OR *after* a Notice of Allowance for the application has been issued. **NOTE:** To delete a Section 1(b) filing basis entirely from an application, or as a basis for an entire class, you must use the specific [Request To Delete Section 1\(B\) Basis, Intent To Use](#) form. **WARNING:** Unlike with an Amendment to Allege Use filed before an application has been approved for publication, you may not withdraw a Statement of Use (SOU) filed after a Notice of Allowance has been issued if the SOU fails to meet the statutory requirements. However, you may file one "insurance" extension request with the SOU, or afterwards, in the limited situation where time remains in the existing six-month period in which the SOU was filed. This would give you additional time to comply with the statutory requirements for filing the SOU.

**NOTE:** You must complete any field preceded by the symbol "\*".

**TIMEOUT WARNING:** You're required to log back in after 30 minutes of [inactivity](#). This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

**\*[Serial Number](#):**  *(required only if completing the Trademark/Service Mark Allegation of Use form; otherwise, access saved form, below)*

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

If appropriate to file at this time, please answer all of the questions below to create an Allegation of Use form showing only sections relevant to you. Then press the NEXT button. For more information regarding any of the following questions or topics, either go to [HELP](#) or click on the underlined word.

**Is the applicant filing a Request to Divide as part of this Allegation of Use?**

☐ If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

\* Click the appropriate circle to indicate the Mark type:

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no** design element **and** without claim to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

**NOTE:** After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "**Special Form (*Stylized and/or Design*)**" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).

### Goods/Services/Collective Membership Organization Information

**WARNING:** If you recently added or deleted a class(es) of goods/services/a collective membership organization, and the correct class(es) are not displayed below, do not use this form. You must wait until the changed data uploads into the USPTO databases, so that the display is correct before proceeding.

**WARNING: Registration Subject to Cancellation for Fraudulent Statements**

**Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration.** For example, an applicant's lack of use on all goods/services for which use is claimed could jeopardize the validity of the registration and result in its cancellation.

### Enter information for the Class

\*International Class:

**Current listing of goods/services/nature of the collective membership organization:**

 The mark is in use in commerce on or in connection with all of the goods/services, or to indicate membership in the collective organization listed in the application or Notice of Allowance or as subsequently modified for this specific class.

 This **allegation of use** does **not** cover this specific class. This entire class is **permanently deleted** from this application OR **processed according to a Request to Divide**

 **Deleted/Divided Goods/Services:** This **allegation of use** does **NOT** cover the following goods/services listed in either the application or Notice of Allowance or as subsequently modified for this specific class; these goods/services are being **permanently deleted** or **included in a Request to Divide**:

NOTE: For attachment, the JPG/PDF image file(s) showing the specimen(s) must be on your local drive. The Specimen File should show the *overall context* of how the mark is used, e.g., on the packaging for the goods, in an advertisement for services, or on decals for use by members for collective membership marks, with the mark clearly displayed thereon or within. This image file should NOT show *only* the mark by itself.

**To attach your file, please note that:**
