

Hello,

I would like to submit the following topics for case studies:

- Rejections under 35 U.S.C. 101, particularly in applications where software/hardware (potentially a "general purpose computer") are performing novel/non-obvious steps
- Notice of Appeal fees; where a Notice of Appeal fee is charged to the applicant even in situations where the Examiner withdraws before the BPAI reviews the appeal or is overturned on Pre-Appeal.

Thank you for your consideration.

Best Regards,

Sadiq Ansari
