General Comment

just ask I am started the first time when I did to registered at federal register because I have looking to sure were is the cost for patented invents .and trying looking the most less money can save .

I have my idea long time in thinking this idea .

I see on comment to Regulations. gov

comments are due 07/11/2016 at 11:59 PM EdT

my have what been happening when are due to 07/11/2016

say me will loss something important ?

I just learning many ensues very important . many Application have be filler to been past the big inspection all personal worked in if this invent is it good for all people needed that . also to be fabricated

it just letter devices electronic .I how if no yet who have this idea and yet has invented some one ????

so I hope understand my write English . just trying thanks
