Important: ONCE THIS FORM IS SUBMITTED ELECTRONICALLY, THE USPTO WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission (or by the next business day).

Contact Points:
For general trademark information, please e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199. If you need help in resolving technical glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. For status information, use https://tsdr.uspto.gov.

NOTE ABOUT STATUS CHECKS: Do NOT attempt to check the status of a filing until at least 72 hours after submission of the filing, to allow sufficient time for our databases to be updated.

Instructions
To file this form, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Validate the form, using the "Validate" button at the end of the form. If there are errors, go back to step 1.
3. Use the Pay/Submit button at the bottom of the validation screen. This will allow you to choose from 3 different payment methods: credit card, automated deposit account, or electronic funds transfer. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. Or, use the "Download Portable Data" button to save your work for submission at a later time.
4. You will receive an e-mail acknowledging receipt of your submission.
1. **Is an attorney filing this form?**

   **NOTE:** The USPTO considers powers of attorney to **end** upon: (1) the date of registration; or (2) the final acceptance or denial of a required post-registration filing. Therefore, if you answer YES to this question and file this form, the USPTO will presume that you are the owner/holder's attorney. This filing will automatically update the "Attorney of Record" and the "Correspondence Address" data fields in the USPTO's Trademark Status & Document Retrieval (TSDR) system. After submission of this form, it is not necessary to file a separate Appointment of Attorney form or Change of Correspondence Address form. Once the USPTO recognizes an attorney with respect to the submission of a required post-registration filing, such as an affidavit/declaration under Section 71, the USPTO will recognize only that attorney for **all submissions related to that filing**, such as responses to Office actions, petitions, etc., unless and until the owner/holder revokes and appoints a new power of attorney or the filing is completely resolved (e.g., by acceptance, renewal, or abandonment).

While you may list an e-mail address for the owner/holder, the owner/holder's attorney, and/or the owner/holder's domestic representative, only one e-mail address may be used for correspondence with the USPTO, in accordance with USPTO policy. The owner/holder must keep this address current in the USPTO's records.

☐ Check here to authorize the USPTO to communicate with the owner/holder via e-mail.

NOTE: By checking this box, the owner/holder acknowledges that it is solely responsible for receipt of USPTO documents sent via e-mail. The owner/holder should periodically check the status of its application through the TSDR system, to see if the USPTO has e-mailed an Office action. If an action has been sent to the provided e-mail address, the USPTO is not responsible for any e-mail not received due to the owner/holder's security or anti-spam software, or any problems within the owner/holder's e-mail system. WARNING: Registered Extension of Protection Subject to Cancellation for Fraudulent Statements
You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a registered extension of protection. The lack of use on all goods/services, or to indicate membership in the collective membership organization for which you claim use in a post-registration filing with the USPTO could jeopardize the validity of the registered extension of protection and result in its cancellation.

Enter information for the Class

* International Class: 007

Current listing of goods/services/nature of the collective membership organization:

☐ The mark is in use in commerce on or in connection with all of the goods/all of the services/to indicate membership in the collective membership organization listed in the existing registered extension of protection for this specific class; and the mark has been continuously used in commerce for five (5) consecutive years after the date of registration in the United States, and is still in use in commerce on or in connection with all goods/all services/the collective membership organization listed in the existing registration for this class. Also, no final decision adverse to the owner's/holder's claim of ownership of such mark for such goods/services/collective membership organization exists, or to the owner's/holder's right to register the same or to keep the same on the register; and, no proceeding involving said rights pending and not disposed of in either the U.S. Patent and Trademark Office or in a court exists.

☐ The filing does not cover this specific class. This entire class is to be permanently deleted from the registered extension of protection. The USPTO will invalidate protection of this class and notify the International Bureau accordingly. WARNING: This class will be permanently deleted from the registration and may NOT be reinserted.

☐ Deleted Goods/Services: The mark is in use in commerce on or in connection with all of the goods/services listed in the existing registered extension of protection for this specific class; and the mark has been continuously used in commerce for five (5) consecutive years after the date of registration in the United States, and is still in use in commerce on or in connection with all goods/services listed in the existing registered extension of protection for this class. Also, no final decision adverse to the owner's/holder's claim of ownership of such mark for those goods/services exists, or to the owner's/holder's right to register the same or to keep the same on the register; and, no proceeding involving said rights pending and not disposed of in either the U.S. Patent and Trademark Office or in a court exists.

The above statements are all true, EXCEPT for the goods/services listed below. In the following space, list only those goods/services appearing in the registered extension of protection that this filing does NOT cover and that should be permanently deleted (removed). WARNING: Any item listed below will be permanently deleted from the registered extension of protection and at that point may NOT be reinserted.

LEAVE THE ABOVE SPACE BLANK IF THIS FILING COVERS ALL GOODS/SERVICES, OR INDICATES MEMBERSHIP IN THE COLLECTIVE ORGANIZATION IN THE EXISTING REGISTERED EXTENSION OF PROTECTION FOR THIS SPECIFIC CLASS. ANY GOODS OR SERVICES LISTED ABOVE WILL BE THE SUBJECT OF A PARTIAL INVALIDATION OF THE REGISTERED EXTENSION OF PROTECTION.
Remaining Goods/Services: The mark is in use in commerce on or in connection with the following goods/services listed in the existing registered extension of protection for this specific class:

Enter how the complete "final" listing should appear that will identify the goods/services with which the mark is in use in commerce for this specific registration (i.e., remove those goods/services identified in the preceding box). While you may modify the current listing either to clarify or limit goods/services/the nature of the collective membership organization, or to remove goods/services, you may not at this point add to, or broaden, the goods/services/nature of the collective membership organization or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the registration.

Use Information

* Specimen File: A specimen is required showing the mark in use in commerce for each class in the registered extension of protection.
* For an instructional video on what is an appropriate trademark or service mark specimen for a good or service, click here. (To view video, you must have Windows Media Player installed. For information about downloading Microsoft Media Player, click here.)

NOTE: For attachment, the JPG/PDF image file(s) showing the specimen(s) must be on your local drive. The Specimen File should show the overall context of how the mark is used, e.g., on the packaging for the goods, in an advertisement for services, or on decals for use by members of collective membership organizations with the mark clearly displayed thereon or within. This image file should NOT show only the mark by itself.

This option uses a Text Form (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. NOTE: If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the Browse/Choose File button to select JPG/PDF image file that contains the scanned declaration/signature from your local drive. The scanned file should only include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do not include the entire application, but do ensure that the boilerplate declaration language appears; i.e., a signature by itself is not acceptable absent the required declaration language.

NOTE: Only one signature is required, regardless of the number of owners/holders. If necessary, the actual signatory may complete the following fields directly on the Text Form, if you do not know who will be signing the form.

Important Notice:
(1) Once you submit a Combined Declaration of Continued Use/Excusable Nonuse and Incontestability Under Sections 71 and 15, either electronically or through the mail, we will not refund your fee, because it is a processing fee for our substantive review.

(2) All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. By filing this document, you acknowledge that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view this information in the USPTO's on-line databases and through public internet search engines and other on-line databases. This information will remain public even if the application is abandoned or any registration is surrendered, cancelled, or expired. To maintain confidentiality of banking or credit card information, only enter payment information in the secure portion of the site after validating your form. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

(3) Be aware that private companies **not** associated with the USPTO often use trademark application and registration information from the USPTO's databases to **mail or e-mail trademark-related solicitations** (samples of non-USPTO solicitations included).

☐ If you have read and understand the above notice, please check the box before you click on the **Pay/Submit** button.

**STEP 5:** To download and save the form data, click on the **Download Portable Data** button at the bottom of this page. The information will be saved to your local drive. To begin the submission process with saved data, you must open a new form, and click on the "Browse/Choose File" button displayed on the initial form wizard page, at "[OPTIONAL] To access previously saved data, use the "Browse/Choose File" button below to access the file from your local drive." **REMEMBER:** Do **NOT** try to open the saved .obj form directly. You must return to the very first page of the form, **as if starting a brand new form**, and then use the specific "Browse/Choose File" button on that page to import the saved file. Clicking on the "Continue" button at the bottom of that first page will then properly open the saved version of your form.

**STEP 6:** If you are ready to file electronically:
Click on the **Pay/Submit** button, below, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says **SUCCESS!** Also, we will send an **e-mail acknowledgment** within 24 hours.

**WARNING:** Click on the **Pay/Submit** button below **ONLY** if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can **NOT** return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you must complete the Pay/Submit process within 30 minutes. If you are not prepared to complete the process now, you should select the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later. Or, if you have discovered any error, use the "Go Back to Modify" button to make a correction.

**WARNING:** You can **NOT** make any fee payments by **credit card** from 2 a.m. to 6 a.m. Sunday EST. To file during this specific period, you must use either the deposit account or electronic funds transfer payment method, or, you may use the "Download Portable Data" option to save your form, and then complete the Pay/Submit process at a later time with the credit card payment option.
