Subject: Fees for LOP
Date: Thursday, August 29, 2019 6:50:01 PM

Please add my voice to strong objection to ANY fee for filing a LOP. Staff attorneys are not doing their due diligence if words like DOGS are able to pass. The public, even small volume crafters should not have to police overreach of trademark but since they do, fees should not be a factor. All creatives deserve the right to free use of the language.
