Director of the United States  
Patent and Trademark Office  
BOX INTERFERENCE  
Washington, DC 20231

Re: Interference Simplification

Dear Sir:

The interim rules remove and reserve, inter alia, 37 CFR 1.682. However, 37 CFR 1.671(e) still refers to the 37 CFR 1.682(a). The reference to 37 CFR 1.682(a) in 37 CFR 1.671(e) should be removed.

Respectfully submitted,

Charles L. Gholz
