0003US1

This is a decision on the petition filed February 17, 2012, requesting that the Director review the Final Agency Decision on Request for Reconsideration of Decision on Application for Patent Term Adjustment ("Decision") mailed by the Office of Petitions on December 20, 2011.

The Decision maintains that the above-identified patent is entitled to five hundred thirty-seven (**537**) days of patent term adjustment ("PTA"). Patentees request that the Director review the decision and modify the PTA calculation to six hundred sixty-nine (669) days.

The decision of the Director of the Office of Petitions has been reviewed. However, because no error has been found in the decision, the petition under 37 CFR 1.181 is **DENIED**.

The patent term adjustment remains 537 days, as indicated in the final agency decision of December 20, 2011.
