

<u>Technology Center</u>	<u>Art Area</u>	<u>Class</u>
2100	Generic Control Systems	700
	Simulation and Modeling	703
	Artificial Intelligence	706
	Database and File Access	707
	Arithmetic Processing	708
	Intrasystem connector	710
	I/O Processing	710
	Memory	711
	Intruction Processing	712
	Configuration/Timing/Power	713
	Reliability	714
	Fault Recovery	714
	Error Correction	714
	Document Processing	715
	GUI	715
	Compiler/Softare Development	717
	Task Management	718
Interprogram/interprocess communication	719	
2400	Television	348
	Television Special	348
	Video Compression	348; 375
	Multiplexing	370
	Cryptography	380
	Video Signal processing	386
	Networks	709
	Cryptography Support	713
	Interactive Video Distributiong	725
Information Security	726	
2600	Digital Communications	375
	Telemetry and Code Generators	340; 367; 341
	Alarms - Vehicle & Systems	340; 367
	Selective Communications	340; 367
	Optical Communications	398
	Telephonic Communications - Special Services	379
	Telephonic Communications - Terminal	379
	Videophones, Emergency Telephonic Communications, Telephone System with Diverse Electrical System	348
	Videophones, Emergency Telephonic Communications, Telephone System with Diverse Electrical System	379
	Telephonic Communications - Diagnostic Testing and Usage Measurement	379
	Telephonic Communications - Repeater/Echo	379
	Telephonic Communications - VoiceMail	379
	Audio - Signals	381
	Audio - Devices	381
	Digital Audio Data Processing	700
	Telecommunications: Analog Radiotelephone	455
	Telecommunications: Equipment Details	455
	Telecommunications: Satellite & Power Control	455
	Telecommunications: Transceivers, Measuring & Testing, & Bluetooth	455
	Telecommunications: Receivers & Transmitters	455
	Telecommunications: Equipment Details	455
	Digital Cameras	348
	Image Analysis: Applications	382
	Image Analysis: Pattern Recognition	382
	Image Analysis: Color & Compression	382
	Image Analysis: Enhancement & Transformation	382
	Facsimile: Printer	358
	Facsimile: Color	358
	Facsimile: Halftone	358
	Facsimile: Scanner	358
	Linguistics, Speech Processing, and Audio Compression	704
	Dynamic storage systems: Mechanical parts of Disk Drives	360; 369; 720
Dynamic storage systems: Signal Processing in Disk Drives	360; 369	
Computer Graphics Processing - 3D and Animation	345	
Computer Graphics Processing - Display Color Attribute	345	
Computer Graphics Processing - Object Processing	345	
Computer Graphics Processing - Hardware and Memory	345	
Selective Visual Display Systems	345; 178	
3600	Data Processing: Financial, Business Prattice, Management, or Cost/Price Determination	705
