**Subject:** Patent Cooperation Treaty (PCT) style Unity of Invention standard funding request  
Hi-Tech changes needed to implement a Patent Cooperation Treaty (PCT) style Unity of Invention standard ,

***Issue 10: Do you have other solutions to offer which are not addressed in this notice?***

Quite a few, mostly world wide web-enabled, hi-technology solutions, never before utilized, and offering crucial results.

Funding for any sort, or amount of initial Research & Development, and financing is urgently requested,  
and if appropriated will allow for expedition of info, research,etc.

Please call, email, or write Jim Boyd at:

=====  
and additional.....

***Past and recent experience in these fields, is a major part of my ongoing daily efforts, to find funding/financing/assistance, to file immediately for my Non-Profit 501 © 3 Status, with the IRS, HUD, and the State of Nevada, as I feel I will be a perfect candidate, to enable HUD to get to the answers sought by this Grant Focus.***

***I've worked diligently, 7 days a week, often "unpaid", for a very long time at quite similar issues, and my work can be viewed on the web at the following web site addresses:***

**<http://www.abclasvegas.us>      or      <http://www.abcwebmentor.com>**

**If funding can be obtained, I excitedly look forward to (as well), beginning immediately, and am hard at work producing additional info as well, as you read this, to ensure I am able to deliver exactly what HUD may be in need of...**

**My world wide web-enabled, professional email assisted, and hi-technology focus will be a perfect fit... and additional "current" ongoing work in this regard can be viewed on the web at:**

**<http://www.geocities.com/abcjimboyd/tony2.html>**

**Please feel free to contact me any time at:**
