Subject: Please locate in Silicon Valley, CA

Dear Sir or Madam,

Please consider Silicon Valley a location for a USPTO satellite office. Silicon Valley has the worldwide reputation as the heart of innovation and creativity, where individuals and companies build, invent and patent their ideas on a daily basis. In 2010 alone, Californians were granted 30,080 patents out of the 121,179 granted to applicants in the U.S. It only makes sense that the USPTO have a presence in Silicon Valley.

Thank you,
Sandra D Spires
