Subject: Patent and Trademark satellite office

When you consider the exceptional level of entrepreneurship, a business community that thrives on innovation, access to research and educational resources is the ideal place for a Patent and Trademark satellite office. Boise has all of those things plus a high quality of life, including low cost of living and easy access to amenities. Idaho's history for innovative business development partnered with our communities continued investments in higher education result in the progressive environment for new companies to thrive. What better place than Boise to locate a satellite office.

Thank you for your consideration.
