Subject: Letter of Support for a USPTO Satellite Office from the City of Las Vegas

To the United States Patent and Trademark Office,

On behalf of the city of Las Vegas, I would like to submit a letter of support for a United States Patent and Trademark Office (USPTO) satellite office to be located in Las Vegas. Las Vegas offers numerous business and recreational amenities that make the area an exceptional place to locate a new office. Additionally, the low cost of housing, mild winters, world class entertainment, fine dining and a new performing arts center provide an excellent quality of life for our residents.

We look forward to hearing from you and welcome any questions that you have may about our great City. Again, thank you for considering Las Vegas as a new home for a USPTO satellite office.

Thank You,

Liane Lee
