Subject: Please make the deadlines for comments clearer.

Janet,

You keep changing your website and it gets confusing for determining deadlines.

Can you please make it clearer and simpler to determine what the deadlines are for Group 1, Group 2 and Group 3 Rule makings on:

http://www.uspto.gov/ai a_i mplementation/index.jsp

http://www.uspto.gov/ai a_i mplementation/comments.jsp

Most small inventors/business do not have the time to go search over and over again in different places.

Thank you.
