<!-- ***** START REVISION HISTORY *****  
12/01/2000 Added ACK_DATE (Date Acknowledged) to PARTY element.  
03/06/2002 Updated element names to conform to PTO Enterprise standard element names.  
05/14/2002 Updated property element to include Trademark Law Treaty values  
05/19/2003 Added LAST-UPDATE-DATE element to the group element <assignment>.  
08/28/2003 Updated property group element to add optional element International-Registration-Number.  
Updated property group elements serial-no, registration-no with optional parameter  
(These fields may not be available when an international registration number is present).  
10/10/2003 Removed space between registration-no element and the question mark attribute  
10/10/2003 Provided documentation statement for International Registration Number
