PTO Form 1478 (Rev 09/2006)

OMB No. 0651-0009 (Exp. 12/31/2014)

Trademark/Service Mark Application, Principal Register

Version 5.2

NOTE: For an instructional video providing an overview of the most important issues you should be aware of when filing a trademark application, [click here](#).

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledgement of your submission, which will repeat the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-

mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing.

NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.

- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check [Trademark Status & Document Retrieval](#) to view current status information, as well as the complete prosecution history. Do **not** attempt to check status until at least 7-10 days after submission of a filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online at [Trademark Status & Document Retrieval](#), including all office actions sent by the USPTO.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

1. Is an [attorney](#) filing this application?

☒ Yes ☐ No

2. [OPTIONAL] To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive. NOTE: For specific instructions, please click [here](#). **FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*.

NOTE: This identifies who owns the mark, not necessarily who is filing the application. For an instructional video focusing on what is meant by the term "applicant," [click here](#).

Applicant Information

Note: This identifies who **owns** the mark, **not** necessarily who is **filing** the application.

Note: If there is more than one owner of the mark, complete the information for the first owner, and then click on the "Add Owner" button at the bottom of this page. Repeat, as necessary, for the appropriate listing of all owners. **Warning:** It is important to determine whether, in fact, the applicants are [joint applicants](#), or some other entity type listed below.

* [Owner of Mark](#)

[If an individual, use the following format: Last Name, First Name Middle Initial or Name, if applicable]

- ☐ DBA (doing business as) ☐ AKA (also known as)

If your entity type is not one of the options displayed directly to the left, you must click on "Other" and then select the appropriate entry from the relevant pull-down box.

[Internal Address](#)

* [Street Address](#)

NOTE: You must limit your entry here, and for all remaining fields within this overall section (except City, see below), to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.

* [City](#)

NOTE: You must limit your entry here to no more than 22 characters.

* [State](#) (Required for U.S. applicants)

NOTE: You must include as part of the "city" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most instances, you will then also have to select the country within which the region is found, below.

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) as: (1) [standard characters](#), if not claiming a particular font, style, size, and/or color; or (2) [special form](#), if the mark includes a design or word(s) combined with a design, or **is** displayed in a particular font, style, size, and/or color; or (3) sound mark. In this section, do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement. This will be required in a different part of the form, if appropriate for your filing basis.) **WARNING:** You may submit only **one** mark per application, and any application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or provides access to the applicant-supplied file if a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to [change or correct your mark](#) after filing this application. While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will not be permitted and will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER [SEARCHING](#) THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT [REFUSE TO REGISTER](#) YOUR MARK.

Enter the mark here: (**Note:** The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the TM, SM, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed **2036** characters; otherwise, you must switch to another browser.)

NOTE: For information about mark display in USPTO databases, click [here](#)

The "Additional Statement" section of this form is to enter various statement(s) that may pertain to the mark, for example, a disclaimer or translation. You are not required to enter any statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, the examining attorney assigned to your application will issue a requirement, if appropriate.

NOTE: For an instructional video on the importance of selecting the proper mark type, [click here](#).

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing actual use in commerce of the mark at the time of this filing) should **NOT** be the same files (or, even if different files, should **not** display essentially the exact same thing). The mark image file should **ONLY** show the mark by itself, and **not** a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed

thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

For any image that also includes a word(s), letter(s), and/or number(s), enter the [LITERAL ELEMENT](#) only of the mark here:

NOTE: Do **NOT** enter any word(s), letter(s), and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; *i.e.*, if your mark consists of a design and word(s), letter(s), and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (*e.g.*, enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

☐ Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE:** Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a **WARNING** about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.

* Enter a complete and accurate [description](#) of the entire mark below, being sure to include **ALL** [literal elements](#) and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must to enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is to enter various statement(s) that may pertain to the mark, for example, a disclaimer or translation. Trademark/Service Mark Application, Principal Register

Version 5.2

Goods and/or Services Information

Instructions:

Step 1: Click on the appropriate button, *below*, to indicate whether you wish to create your listing of goods/services by (1) taking entries directly from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual); or (2) entering your own free-text entry. **NOTE:** Option 1 is recommended, to ensure automatic acceptance of the listing in examination; however, if the entry requires customization through the insertion of free-form text, even Option 1 obviously will not ensure that the listing is automatically accepted.

Step 2: Click on the "Add Goods/Services" button.

Step 3: After creating the complete list of goods and/or services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. Your identification of goods/services must be precise and accurate. If using the "Searching IDManual" option, do NOT simply select a listing that is "close" to your goods/services. If you do not find a listing that accurately identifies your goods/services, you may e-mail TMIDSUGGEST@uspto.gov to request that your identification be added to the IDManual, and then wait for the addition before filing. For more information on this process, click [here](#). If your request is not approved or you wish to file immediately, you must use the "Entering Free-form text" option.
2. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form. **New**
3. If you cannot access the IDManual through the "Add Goods/Services" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services" button, please contact TEAS@uspto.gov.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed the initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

* Choose ONE method for adding the Goods and/or Services: ☒ Searching IDManual ☐ Entering Free-form text

NOTE: For an instructional video on goods and services and the importance of making the proper selection, [click here](#).

Add Goods/Services

Remove Checked Goods/Services

NOTE: Clicking "Go Back" will take you directly back to the MARK section of the form.

WARNING: The ID manual has a session limit of 30 minutes. If you will be working within the IDManual for an extended period of time, it is critical that you keep your form session "alive." To do so, it is recommended that you select no more than 20 entries at a time, then click the "Insert Check Entries" button. On the next page that displays all of your selections, use the "Add Goods/Services by Searching IDManual" button to return to the Manual to continue the process; repeat this process until all of your items are displayed in the overall listing on the page for assigning a filing basis.

Search for:

Instructions:

Step 1: Enter a word or phrase to search for Goods and/or Services.

- Search requests can be for a single item (*e.g.*, pants), or multiple items (*e.g.*, pants shirts shoes). While also possible to search for goods and/or services in different classes at the same time (*e.g.*, pants baseballs), separate searches are recommended. The form will compile an "overall goods/services list," regardless of the search approach.
NOTE: Most manual entries are displayed in the plural. *e.g.*, the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, *e.g.*, "soup tureens" and "soup mixes."
- To search for an entry where the single entry consists of multiple words, enclose the complete entry within quotation marks; *e.g.*, enter "computer programs" rather than computer programs.
- To browse the complete listing of items in one or more classes, enter the following search criteria: class:NNN or class:(NNN NNN etc.), where NNN is the 3-digit International class number; *e.g.*, to search for all items in International Class 3, enter class:003; for all items in International Classes 25 and 42, enter class:(025 042).
- For a listing of all International class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (*e.g.*, using truncation), click [here](#).

Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all manual entries containing the requested term(s) will be displayed.

NOTE: Because the interfaces for TEAS and the *Trademark Acceptable Identification of Goods & Services Manual* differ, results for identical searches performed in each may vary slightly, even though both access the same data source.

Applicant requests registration of the trademark/service mark identified previously with the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. §1051 *et seq.*) for the Class(es) and Goods and/or Services displayed below, and asserts herein the specific basis(es) that covers the listed Goods and/or Services.

Instructions for assigning filing basis(es):

For each of the items listed in the chart below, you can assign a specific filing basis, or if appropriate, multiple bases. If the list is incorrect, you can either add or delete items, using the appropriate buttons, *below*. For an explanation of the possible filing basis(es), as identified by the 4 buttons beneath the listing of goods/services, click [here](#).

WARNING: Registration Subject to Cancellation for Fraudulent Statements

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona intention to use the mark with **all** goods and/or services included in an application, or the lack of use on **all** goods and/or services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

Electronic Signature

The application will not be "signed" in the sense of a traditional paper document. To verify the contents of the application, the signatory must enter any alpha/numeric character(s) or combination thereof **of his or her choosing**, preceded and followed by the forward slash (/) symbol. The USPTO does **not** determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/. The application may still be validated to check for missing information or errors even if the **signature** and **date signed** fields are left blank; however, you must specifically click the button for "Submit application unsigned," *above*.

DECLARATION

The signatory believes that: if the applicant is filing the application under 15 U.S.C. Section 1051(a), the applicant is the owner of the trademark/service mark sought to be registered; the applicant or the applicant's related company or licensee is using the mark in commerce on or in connection with the goods/services in the application, and such use by the applicant's related company or licensee inures to the benefit of the applicant; the specimen(s) shows the mark as used on or in connection with the goods/services in the application; and/or if the applicant filed an application under 15 U.S.C. Section 1051(b), Section 1126(d), and/or Section 1126(e), the applicant is entitled to use the mark in commerce; the applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the goods/services in the application. The signatory believes that to the best of the signatory's knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion or mistake, or to deceive. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements and the like may jeopardize the validity of the application or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

If we should send the acknowledgment to a different e-mail address, or to an additional address(es), please enter the proper address or additional address(es). For **multiple addresses/receipts**, please separate e-mail addresses by either a **semicolon** or a **comma**.

■ **STEP 3:** To download and save the form data, click on the [Download Portable Data](#) button at the bottom of this page. The information will be saved to your local drive. To begin the submission process with saved data, you must open a new form, and click on the "Browse/Choose File" button displayed on the initial form wizard page, at "[OPTIONAL] To access previously-saved data, use the "Browse/Choose File" button below to access the file from your local drive." REMINDER: Do NOT try to open the saved .obj/.xml form directly. You must return to

the very first page of the form, as if starting a brand new form, and then use the specific "Browse/Choose File" button on that page to import the saved file. Clicking on the "Continue" button at the bottom of that first page will then properly open the saved version of your form.

■ **STEP 4: Read and check the following:**

Important Notice:

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review. This is true regardless of how soon after submission you might attempt to request cancellation of the filing. Therefore, please review **ALL** information carefully prior to transmission.

All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, e-mail address, and street address. By filing this application, you acknowledge that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view this information in the USPTO's on-line databases and through internet search engines and other on-line databases. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. To maintain confidentiality of banking or credit card information, only enter payment information in the secure portion of the site after validating your form. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

☐ If you have read and understand the above notice, please check the box before you click on the **Pay/Submit** button.

■ **STEP 5: If you are ready to file electronically:**

Click on the **Pay/Submit** button *below*, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says **SUCCESS!** Also, we will send an e-mail acknowledgment within 24 hours.

WARNING: Click on the Pay/Submit button **ONLY** if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can **NOT** return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you **must** complete the Pay/Submit process **within 30 minutes**. If you are not prepared to complete the process now, you should select the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later. Or, if you have discovered any error, use the "Go Back to Modify" button to make a correction.

WARNING: Fee payments by credit card may **not** be made from 2 a.m. to 6 a.m. Sunday, Eastern Standard Time. If you are attempting to file during that specific period, you **must** use either (1) the deposit account or electronic funds transfer payment method; or (2) the "Download Portable Data" option to save your form, and then complete the Pay/Submit process later for a credit card payment.
