New Mailing Addresses for Paper Submissions of Trademark-Related Correspondence and Madrid Protocol Rules Change

ACTIONS: Final rule; correction.

SUMMARY: The United States Patent and Trademark Office (“Office”) published a final rule in the Federal Register of September 24, 2004, setting forth new mailing addresses for trademark-related correspondence submitted on paper and amending some of the rules governing submissions of documents pursuant to the Protocol Relating to the Madrid Agreement Concerning the International Registrations of Marks (“Madrid Protocol”) in the United States. This document corrects the omission of a new address for general trademark-related correspondence delivered by hand or courier. This document also clarifies the new address for hand-delivered trademark-related correspondence pursuant to the Madrid Protocol to make it easier for trademark customers to find the location on the Office’s new campus.

FOR FURTHER INFORMATION CONTACT:
Cheryl L. Black, Office of the Commissioner for Trademarks, by telephone at (703) 308–8910, ext. 153, or by e-mail to cheryl.black@uspto.gov.

SUPPLEMENTARY INFORMATION: The United States Patent and Trademark Office (“Office”) published in the Federal Register of September 24, 2004, (69 FR 57181) a final rule setting forth new mailing addresses for trademark-related correspondence submitted on paper in part 2 of 37 CFR and amending some of the rules governing submissions of documents pursuant to the Protocol Relating to the Madrid Agreement Concerning the International Registrations of Marks (“Madrid Protocol”) in the United States in part 7 of 37 CFR. The changes to the rules set forth the new address for hand deliveries of trademark-related filings pursuant to the Madrid Protocol in § 7.4. The Office, however, inadvertently omitted that same new address, which should be used for all other trademark-related correspondence delivered by hand or courier, from § 2.190. This document corrects a typographical error in the zip code for that address in the final rule. This document also adds the new address for hand and courier deliveries to § 2.190 and clarifies the address in § 7.4 to make it easier for customers delivering trademark-related correspondence pursuant to the Madrid Protocol by hand or courier to find the location on the Office’s new campus.
