4 Request for Recordal

The applicant requests the USPTO to assign a unique alphanumeric designation for recordal on the Fastener Insignia Register.

The applicant requests recordal of the mark on the Fastener Insignia Register using the U.S. Registration Number **or** U.S. Serial Number entered below.

The applicant is the owner of the referenced trademark registration or application, which is not cancelled, abandoned, or expired. **A copy of the registration certificate or the drawing in the trademark application is attached.**

or
U.S. APPLICATION SERIAL NUMBER U.S. REGISTRATION NUMBER

5 Request for Renewal

A Certificate of Recordal remains “active” for a period of five years from the date of issuance. The USPTO must receive a complete renewal application no later than six months before the expiration of that five-year term for your Certificate of Recordal to maintain an active status.

The applicant requests renewal of the applicant’s Certificate of Recordal based on either:

or
TRADEMARK APPLICATION SERIAL NUMBER
 or
TRADEMARK REGISTRATION NUMBER
 or
ALPHANUMERIC DESIGNATION

A copy of the Certificate of Recordal is attached.

This collection of information is required under 15 U.S.C. § 5401 *et seq.* and 15 C.F.R. § 280.300 *et seq.* The public submits the information in connection with requests to record or renew insignia under the Fastener Quality Act of 1999, and the USPTO uses the information to process these requests.

The time required to complete the form, including gathering information, preparing the form, and submitting the completed requests to the USPTO is estimated to be ten minutes. Time will vary depending on the particular circumstances. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden should be sent to the Chief Information Officer, USPTO, P.O. Box 1450, Alexandria VA 22313-1450.

Do not send fees or completed forms to this address. Send them to: Director, USPTO, ATTN: FQA, 600 Dulany Street, MDE-10A71, Alexandria VA 22314-5793.

6 Request for Reactivation

When a previously recorded alphanumeric designation is assigned to another entity the recordal becomes “inactive” as of the date of the assignment. The new owner of the alphanumeric designation must “reactivate” the designation by filing a new application and requesting reactivation. The assignment documents must also be submitted with the application. Note: Only one recorded alphanumeric designation may be reactivated per application. Where a Certificate of Recordal is based on a trademark application or registration and the underlying application or registration has been assigned, the recordal shall be designated “inactive,” and CANNOT be reactivated. See 15 C.F.R. §280.323(b). The new trademark owner must apply for a new recordal.

The applicant request reactivation of the recorded Alphanumeric Designation listed below. **A copy of the assignment documents are attached.**
