Subject: Request to speak at public hearing on Electronic Public Search Facility

Please consider this email a request to speak at the public hearing on May 16, 2002 relating to the disposal of the public paper patent collection.

I will be speaking for myself as a public user of the USPTO facilities. The focus of my remarks will be in support of an electronic search facility, but stressing the importance of the USPTO being diligent in how the transition is implemented.

Thank you.
