

Regulatory Evaluation

This temporary rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that order. It is not significant under the regulatory policies and procedures of the Department of Homeland Security (DHS).

The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), the Coast Guard considered whether this rule will have a significant impact on a substantial number of small businesses and not-for-profit organizations that are independently owned and operated are not dominant in their respective fields, and governmental jurisdictions with populations less than 50,000.

The Coast Guard certifies under section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601–612) that this temporary final rule will not have a significant economic impact on a substantial number of small entities.

Assistance for Small Entities

In accordance with Section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), the Coast Guard offered to assist small entities in understanding this rule so that they can better evaluate its effectiveness and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule contains no information collection requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

The Coast Guard has analyzed this rule under Executive Order 13132, Federalism, and has determined that

this rule does not have implications under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Environment

We have considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.IC, this rule is categorically excluded from further environmental documentation. A “Categorical Exclusion Determination” is available in the docket for inspection or copying where indicated under **ADDRESSES**.

DEPARTMENT OF COMMERCE

Patent and Trademark Office

37 CFR Part 1

RIN 0651–AB60

Revision of Patent Fees for Fiscal Year 2004

AGENCY: United States Patent and Trademark Office, Commerce.

ACTION: Final rule.

SUMMARY: The United States Patent and Trademark Office (referred to as “we”, “us”, or “our” in this document) is adjusting certain patent fee amounts to reflect fluctuations in the Consumer Price Index (CPI). Also, we are adjusting, by a corresponding amount, a few patent fees that track the affected fees. The Director is authorized to adjust these fees annually in accordance with the CPI to recover the higher costs associated with doing business.

Legislation has also been introduced in the Congress that would alter our fees. If enacted, this legislation would supersede the fees identified in this final rule.

EFFECTIVE DATE: October 1, 2003.

FOR FURTHER INFORMATION CONTACT: Matthew Lee by e-mail at matthew.lee@uspto.gov, by telephone at (703) 305-8051, or by fax at (703) 305-8007.

SUPPLEMENTARY INFORMATION: This final rule adjusts our fees in accordance with the applicable provisions of title 35, United States Code, as amended by the Consolidated Appropriations Act, Fiscal Year 2000 (which incorporated the Intellectual Property and Communications Omnibus Reform Act of 1999) (Pub. L. 106-113). This final rule also adjusts, by a corresponding amount, a few patent fees (37 CFR 1.17(e), (r), (s), and (t)) that track statutory fees (either 37 CFR 1.16(a) or 1.17(m)).

Legislation has been introduced in the Congress that would alter our fees. Customers should be aware that legislative changes to our fees would supersede this final rule. If such changes occur, we will make corresponding rule changes by publication in the **Federal Register**. Customers may wish to refer to our official website at www.uspto.gov for the most current fee amounts. Official notices of any fee changes will appear in the **Federal Register** and the *Official Gazette of the United States Patent and Trademark Office*.

A proposed rule notice was published at 68 FR 23092 on April 30, 2003, which requested comments by May 30, 2003. No comments were received.

Background

Statutory Provisions

Patent fees are authorized by 35 U.S.C. 41, 119, 120, 132(b) and 376. For fees paid under 35 U.S.C. 41(a) and (b) and 132(b), independent inventors, small business concerns, and nonprofit organizations who meet the

requirements of 35 U.S.C. 41(h)(1) are entitled to a fifty-percent reduction.

Section 41(f) of title 35, United States Code, provides that fees established under 35 U.S.C. 41(a) and (b) may be adjusted on October 1, 1992, and every year thereafter, to reflect fluctuations in the CPI over the previous twelve months.

Section 41(d) of title 35, United States Code, authorizes the Director to establish fees for all other processing, services, or materials related to patents to recover the average cost of providing these services or materials, except for the fees for recording a document affecting title, for each photocopy, for each black and white copy of a patent, and for standard library service.

Section 41(g) of title 35, United States Code, provides that new fee amounts established by the Director under section 41 may take effect thirty days after notice in the **Federal Register** and the *Official Gazette of the United States Patent and Trademark Office*.

Fee Adjustment Level

The patent statutory fees established by 35 U.S.C. 41(a) and (b) will be adjusted on October 1, 2003, to reflect fluctuations occurring during the twelve-month period from October 1, 2002, through September 30, 2003, in the Consumer Price Index for All Urban Consumers (CPI-U). The Office of Management and Budget has advised us that in calculating these fluctuations, we should use CPI-U data as determined by the Secretary of Labor. In accordance with previous fee-setting methodology, we base this fee adjustment on the Administration's projected CPI-U for the twelve-month period ending September 30, 2003, which is 2.08 percent. Based on this projected CPI-U, patent statutory fees will be adjusted by 2.08 percent.

Certain patent processing fees established under 35 U.S.C. 41(d), 119, 120, 132(b), 376, and Public Law 103-465 (the Uruguay Round Agreements Act) will be adjusted to reflect fluctuations in the CPI.

The fee amounts were rounded by applying standard arithmetic rules so that the amounts rounded will be convenient to the user. Fees for other than a small entity of \$100 or more were rounded to the nearest \$10. Fees of less than \$100 were rounded to an even number so that any comparable small entity fee will be a whole number.

General Procedures

Any fee amount that is paid on or after the effective date of the fee adjustment will be subject to the new fees then in effect. The amount of the

fee to be paid will be determined by the time of filing. The time of filing will be determined either according to the date of receipt in our office or the date reflected on a proper Certificate of Mailing or Transmission, where such a certificate is authorized under 37 CFR 1.8. Use of a Certificate of Mailing or Transmission is not authorized for items that are specifically excluded from the provisions of § 1.8. Items for which a Certificate of Mailing or Transmission under § 1.8 are not authorized include, for example, filing of Continued Prosecution Applications (CPAs) under § 1.53(d) and other national and international applications for patents. See 37 CFR 1.8(a)(2).

Patent-related correspondence delivered by the “Express Mail Post Office to Addressee” service of the United States Postal Service (USPS) is considered filed or received in our office on the date of deposit with the USPS. See 37 CFR 1.10(a)(1). The date of deposit with the USPS is shown by the “date-in” on the “Express Mail” mailing label or other official USPS notation.

To ensure clarity in the implementation of the new fees, a discussion of specific sections is set forth below.

Discussion of Specific Rules

37 CFR 1.16 National Application Filing Fees

Section 1.16, paragraphs (a), (b), (d), and (f) through (i), are revised to adjust fees established therein to reflect fluctuations in the CPI.

37 CFR 1.17 Patent Application and Reexamination Processing Fees

Section 1.17, paragraphs (a)(2) through (a)(5), (b) through (e), (m), and (r) through (t), are revised to adjust fees established therein to reflect fluctuations in the CPI.

37 CFR 1.18 Patent Post Allowance (Including Issue) Fees

Section 1.18, paragraphs (a) through (c), are revised to adjust fees established therein to reflect fluctuations in the CPI.

37 CFR 1.20 Post Issuance Fees

Section 1.20, paragraphs (e) through (g), are revised to adjust fees established therein to reflect fluctuations in the CPI.

37 CFR 1.492 National Stage Fees

Section 1.492, paragraphs (a)(1) through (a)(3), (a)(5), (b), and (d), are revised to adjust fees established therein to reflect fluctuations in the CPI.

Other Considerations

This final rule contains no information collection requirements within the meaning of the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 et seq. This final rule has been determined to be not significant for purposes of Executive Order 12866. This final rule does not contain policies with Federalism implications sufficient to warrant preparation of a Federalism Assessment under Executive Order 13132 (August 4, 1999).

The Deputy General Counsel for General Law of the United States Patent and Trademark Office has certified to the Chief Counsel for Advocacy, Small Business Administration, that the final rule change will not have a significant economic impact on a substantial number of small entities (Regulatory Flexibility Act, 5 U.S.C. 605(b)). The final rule change increases fees to reflect the change in the CPI as authorized by 35 U.S.C. 41(f). Further, the principal impact of the major patent fees has already been taken into account in 35 U.S.C. 41(h)(1), which provides small entities with a fifty-percent reduction in the major patent fees. We received roughly 111,000 patent applications (approximately 33 percent of total patent applications) last year from small entities. Since the average small entity fee will increase by less than \$10, with a minimum increase of \$1 and a maximum increase of \$35, there will not be a significant economic impact on a substantial number of small entities due to this final rule change.

ENVIRONMENTAL PROTECTION AGENCY**40 CFR Part 180****[OPP-2003-0138; FRL-7311-6]****Aspergillus flavus AF36; Exemption from the Requirement of a Tolerance**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This regulation establishes an exemption from the requirement of a tolerance for residues of the microbial antifungal agent *Aspergillus flavus* AF36, a non-aflatoxin-producing member of the naturally-occurring genus of fungi *Aspergillus*, in or on the food/feed commodity cotton, when the pesticide is used according to its label instructions as a prebloom application. The Interregional Research Project Number 4 (IR-4), on behalf of the Arizona Cotton Research and Protection Council, submitted a petition to EPA under the Federal Food, Drug, and Cosmetic Act (FFDCA), as amended by the Food Quality Protection Act of 1996 (FQPA), requesting an exemption from the requirement of a tolerance. This regulation eliminates the need to establish a maximum permissible level for residues of *Aspergillus flavus* AF36 in or on cotton and its food/feed commodities.

DATES: This regulation is effective July 14, 2003. Objections and requests for

hearings, identified by docket ID number OPP-2003-0138, must be received on or before September 12, 2003.

ADDRESSES: Written objections and hearing requests may be submitted by mail or through hand delivery/courier.
